Our Young School Has a History . . .

About five years ago, the site where Woodlawn High School stands today was only a tract of land in the woods. How then, you ask, is it such a busy nerve center of education today.

It had been felt for some time a high school was needed in this section of the city. So the Caddo Parish School Board spent a great deal of time investigating the needs and the exact location for such a school. Many population surveys were made and finally two tracts of land totaling 50 acres were purchased in the southern portion of Shreveport at 7340 Wyngate Drive in Sherwood Park. The land had to be cleared after purchase. In fact, the site was only then incorporated into the city limits and later Wyngate Street was dedicated.

The School Board found it necessary to revise the budget several times. After some thirty proposed sketches had been submitted by the architectural firm of Wiener, Morgan and O'Neal, a special meeting of the School Board was held in July of 1958 and final plans by the architect were approved and the board granted authority to advertise for bids.

The contract was awarded to W. A. McMichael Construction Company in August 1958 at a cost of $2,266,444. Completed at a final cost of $2,660,300 in the summer of 1960, the building was occupied by its first student body of approximately 1000 students in September 1960.

Organization of the school program for its first year began in January 1960. The principal and other key administrators were soon appointed and plans got under way. Future students had organized tours of the building during its final days of completion. Equipment and supplies for all departments in the school were ordered. The Student Council was organized in March 1960 with the seven schools supplying the students electing members. This charter group met often and was largely responsible for selecting the school colors of royal blue and scarlet, the Knight as the school mascot, the name of the yearbook and school paper, a ring company and a standard ring design, and writing the words for the Alma Mater for which Mr. Richard Jennings and Mr. Melvin Simmons wrote the music.

A full program of study was offered in the first year including all types of athletic competition and a unit of the National Defense Cadet Corps.

The first year of operation ran smoothly for the young organization which graduated 175 seniors at its first graduation exercise in June 1961. Early in November of this our second year Woodlawn underwent a two-day evaluation by a committee representing the Southern Association of Secondary Schools and Colleges and was placed on their accredited list.

We have chosen the modern designs of our building to set the theme of our 1962 Accolade because the unusual, attractive mosaic design on the ends of our main building has already become a thing to remember. So we set the stage with it and continue through the book using brick designs and large areas of white space to keep before us the idea that our educational program is as modern and geared to the space age as our building is.

HAIL ALMA MATER KNIGHTS SO TRUE,
CLOTHED IN SCARLET AND ROYAL BLUE
OUR FAITH AND LOVE WE PLEDGE TO THEE
WRITTEN HIGH IN LIBERTY,
YOUR LAURELS ARE VAST AND ARE SURE AS THE DAWN
WE PRAISE THEE FOREVER AND EVER WOODLAWN.

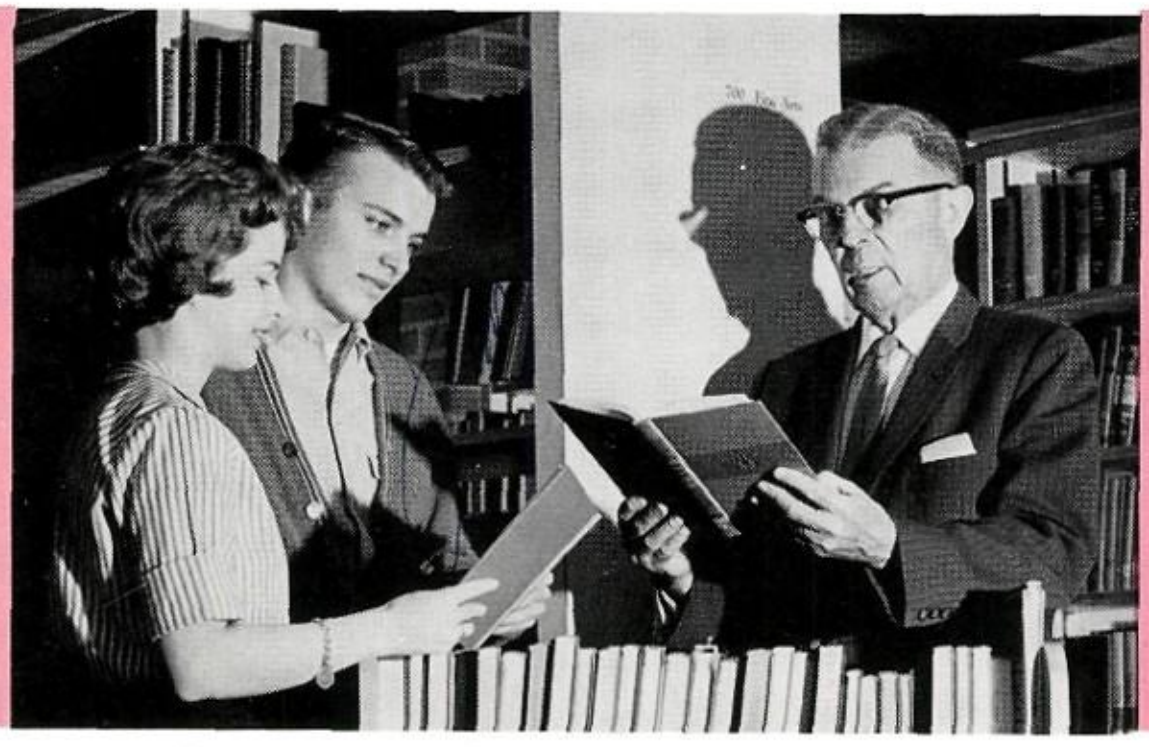
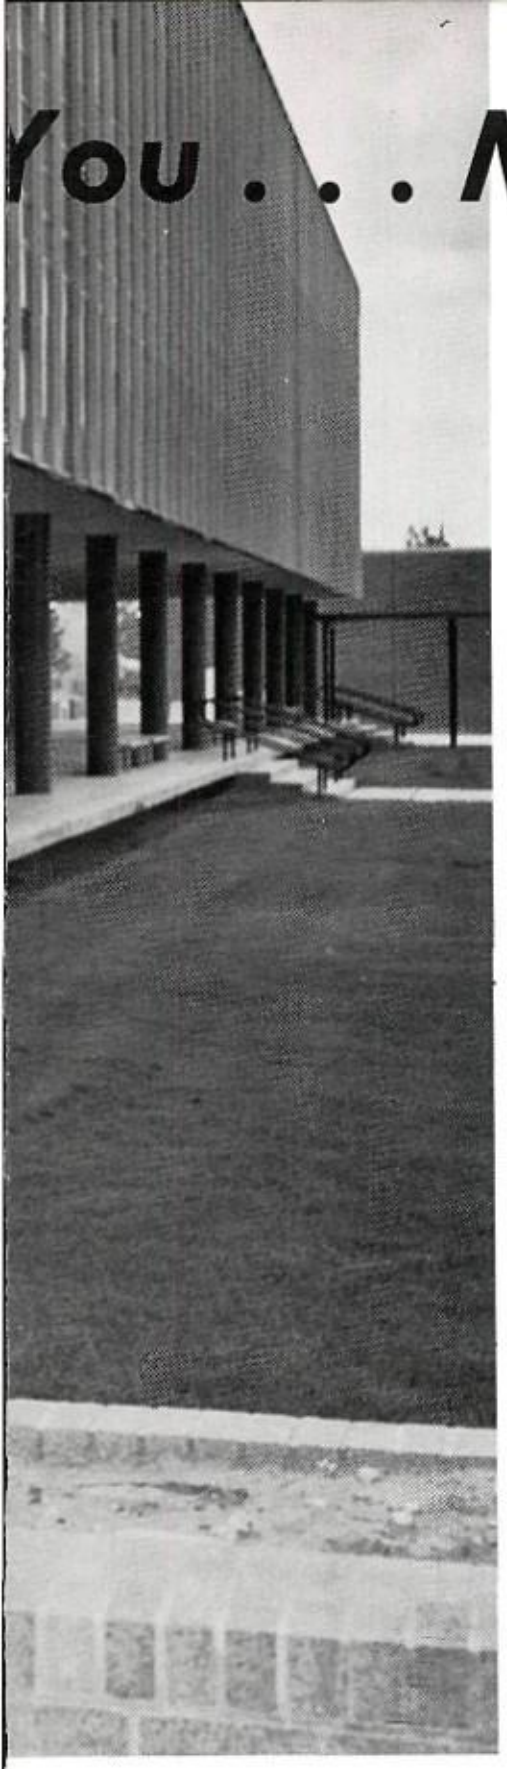
Mr. White visited with Mr. Turner, Principal, and they admired together the classic beauty of the modern architecture used in Shreveport's newest high school.

Mr. White discusses the fine library facilities at Woodlawn with Mary Nell Hooper, Homecoming Queen, and Jim Harper, Student Council President.



Mr. White is shown as he addressed the students and as he served food at Open House.



You . . . Mr. Roscoe H. White

BECAUSE you have served Caddo Parish faithfully as Parish Superintendent of Education for nineteen years

BECAUSE Caddo's splendid public school system developed and expanded during your administration

BECAUSE you were Superintendent as Woodlawn progressed from a dream, to a drawing board, to reality

BECAUSE you met often with our Student Council in its formative stages and gave encouragement when needed

BECAUSE you were responsible for Woodlawn's future students touring the building before its completion

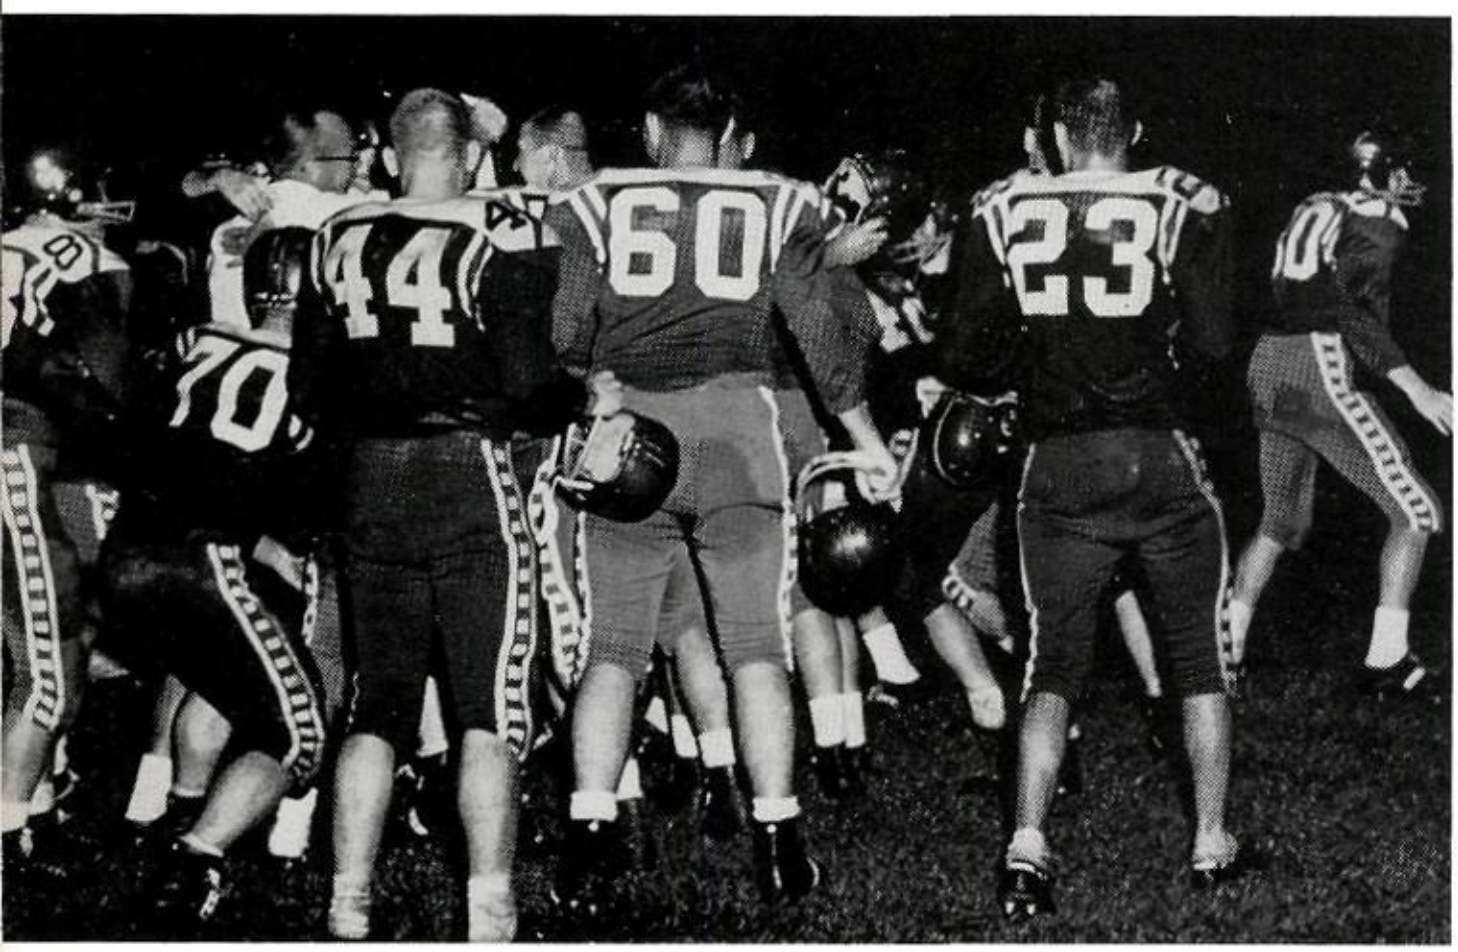
BECAUSE you were our guest and spoke to us on the first day of our school history, September 6, 1960

BECAUSE you visited our school many times and became our steadfast friend

BECAUSE you are an avid sports fan and tollowed our Knights to their first football championship

BECAUSE you are proud of Woodlawn and have great hopes for our future

MR. ROSCOE H. WHITE, WE DEDICATE OUR 1962 ACCOLADE TO YOU.



After the game with North Caddo, jubilant Knights gathered around the coaches . . . they had just won their first game 13-6.

It was a very successful assembly . . . Sir Knight was unveiled.

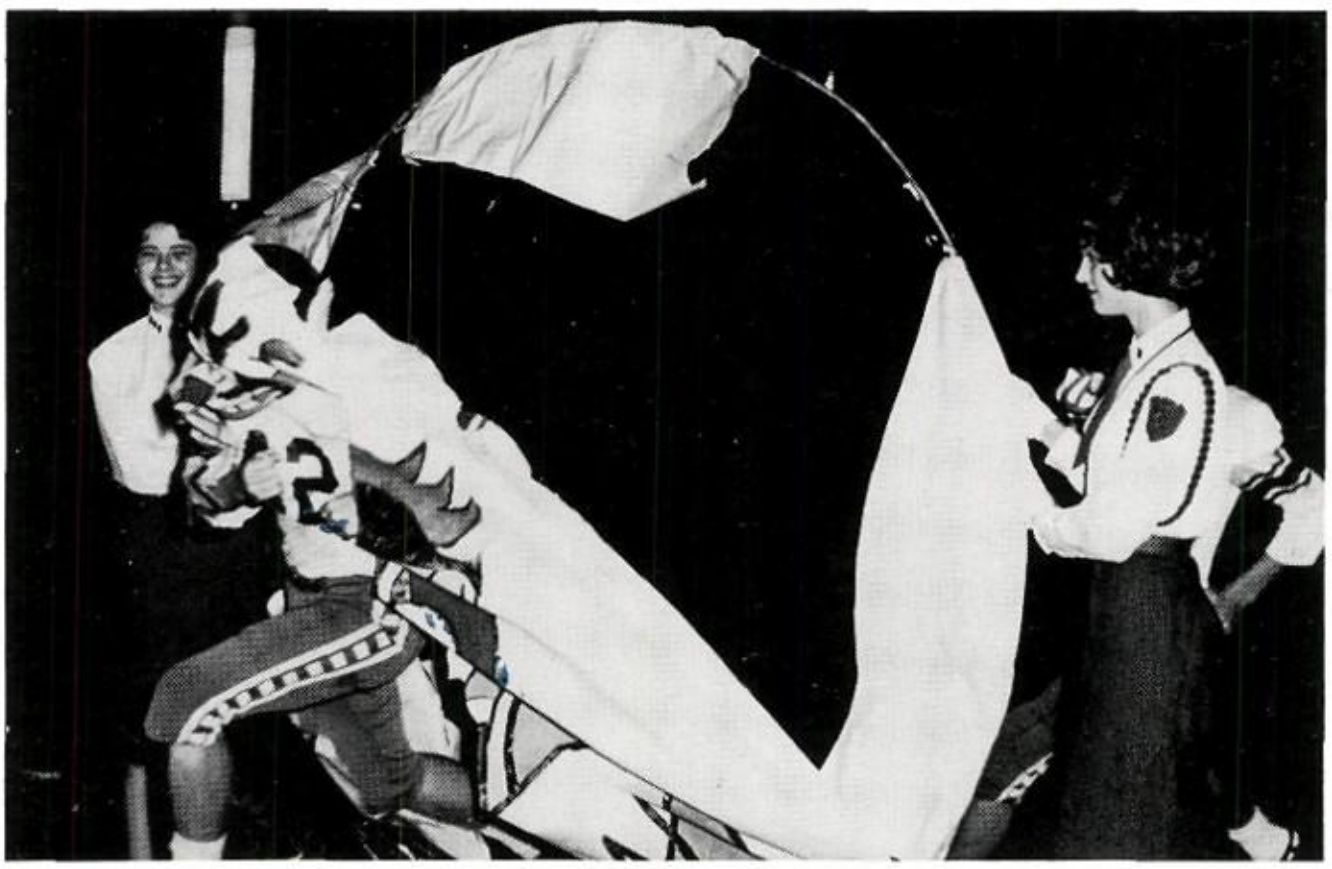
Crowded stands didn't cramp the band and pep squad's style . . . they cheered the Knights on to victory.

The Student Council made streamers to put on the buses for out-of-town games.

The Lancerettes stood to cheer the "team named desire" onto the field

Pep rallies were held before each game . . . this one was in the courtyard.

Football Season Is to a School as Bricks Are to a Building . . .



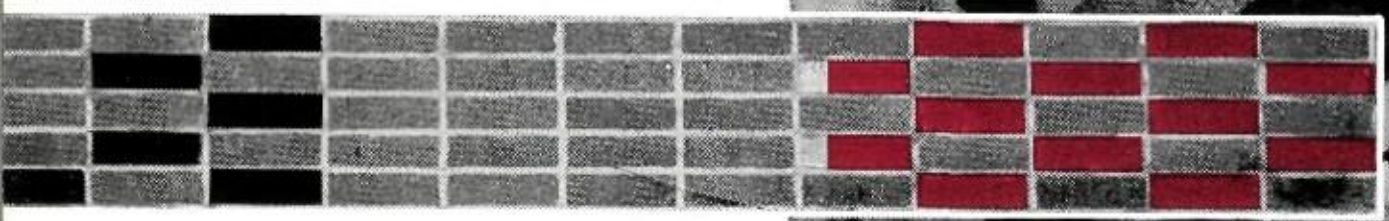
The team is coming through! Sharon Miley and Jan Box held the hoop as the Big Team made its entrance on the field.

The cheerleaders clapped and danced to the fight song.

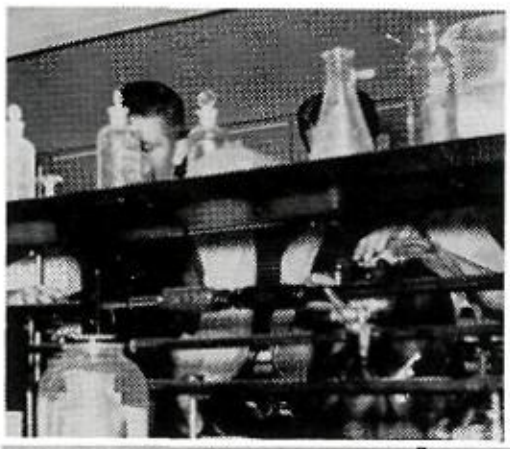
Football programs were sold at all home games.

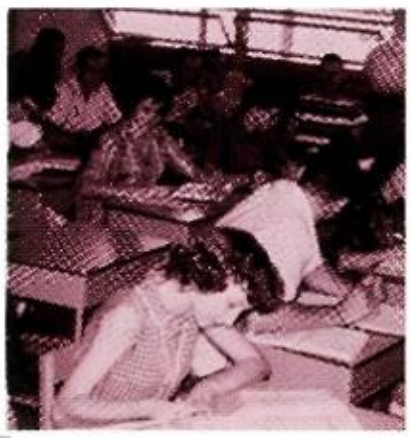
A sock hop, sponsored by the Student Council was held after the victorious game over Ouachita.

Bricks Make a Building Students Make a School . . .



It is the boys and girls so poured in and out all day that give the building a soul of dreams and thoughts and memories . . . in the classrooms where the emphasis is on science, English and math . . . in organizations such as the NDCC, the pep squad and the band, where responsibility is learned and unity is necessary . . .





"Suffy"

Best of luck where ever you go and what ever you do. May we always remain friends "and the rest of friends" when ever you see a (voting machine)!! just remember who won. May God bless you and keep you.

Love Ya

Charlie

Andrews

P.S. Try to be a good girl for a change.

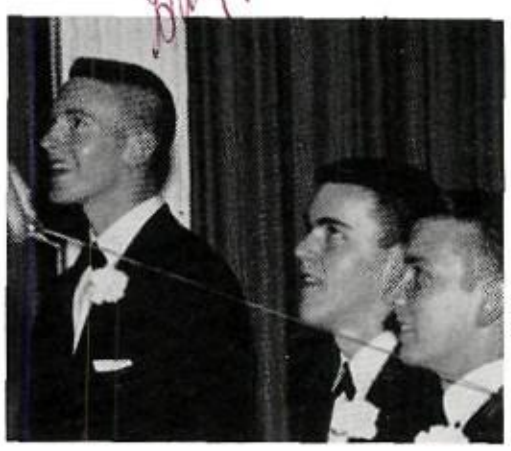
Friends make the most routine days more enjoyable . . . friends to share a joke with before the first bell . . . to talk with between classes . . . to confide in at lunch . . . to tell your troubles to after school . . . yes, it is the students that make the school what it is . . .

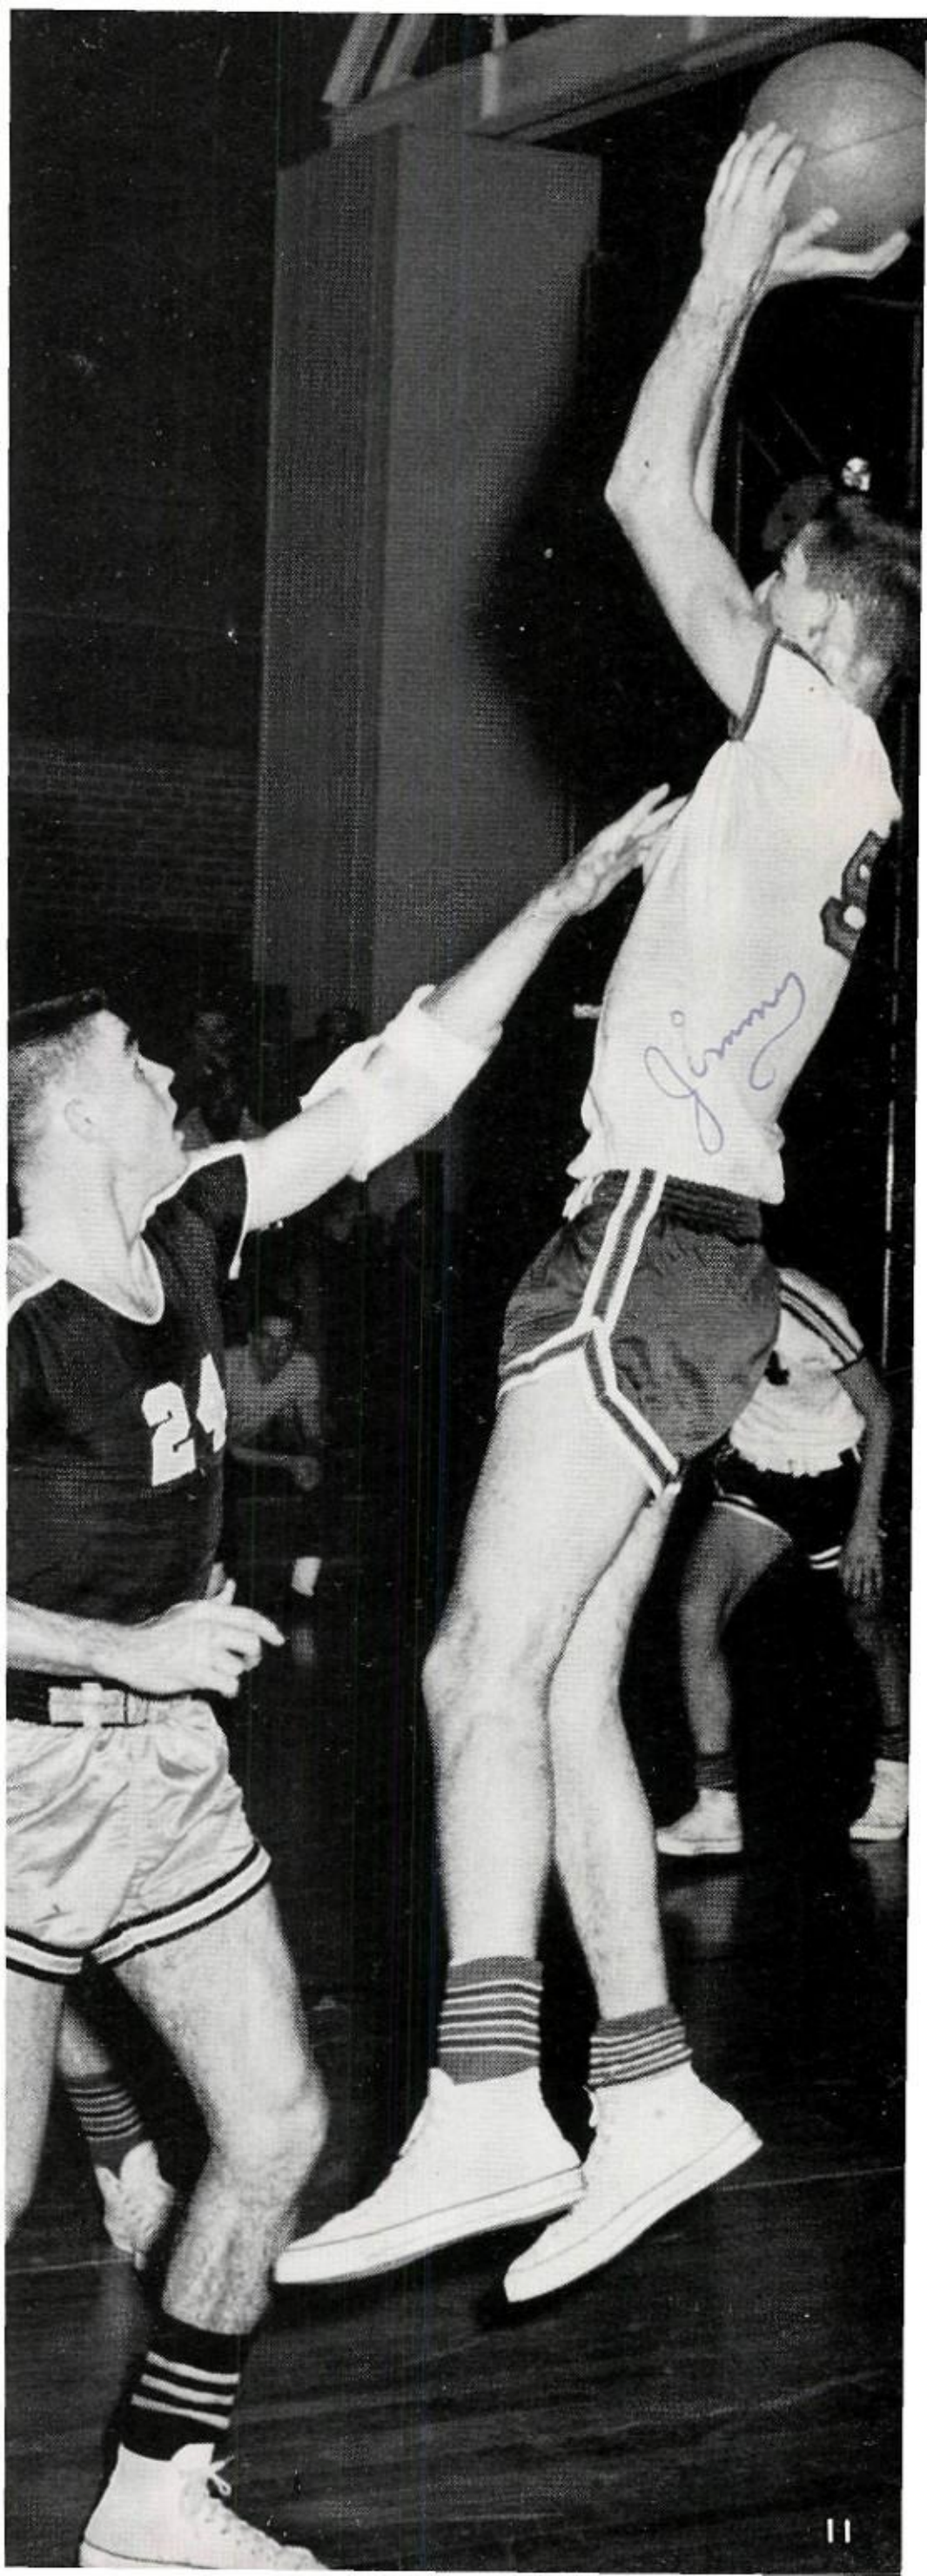
Experiences Are the Bricks Which Build Lasting Memories . . .

Here at WHS we have shared many thrilling moments and events . . . the excitement of the Military Ball . . . the day the juniors ordered that coveted class ring . . . the fun of a week's vacation the "big snow" gave us . . .

Cherie Yeager and Sheila Mondello were elected Sweetheart and Queen of the Future Farmers of America. The FFA is just one of the many worthwhile organizations at Woodlawn. Through such clubs, many have gained a sense of responsibility, new friends, and a broader knowledge of certain fields of interest. These are the experiences that not only leave lasting memories, but prepare us for life.

. . . the thrill of winning an election . . . the knighting of three senior boys . . . a tense moment in an important conference game . . .





Dear Carolyn, have used your talents this year! But then, when one finds such ability and such a pleasant personality in one person, he can't resist! You are a favorite of mine, Carolyn, because of so many things that I could hardly list them all. Use your ambition well, and bring me (often) news of your achievements.

Love,
Ramona Kelley

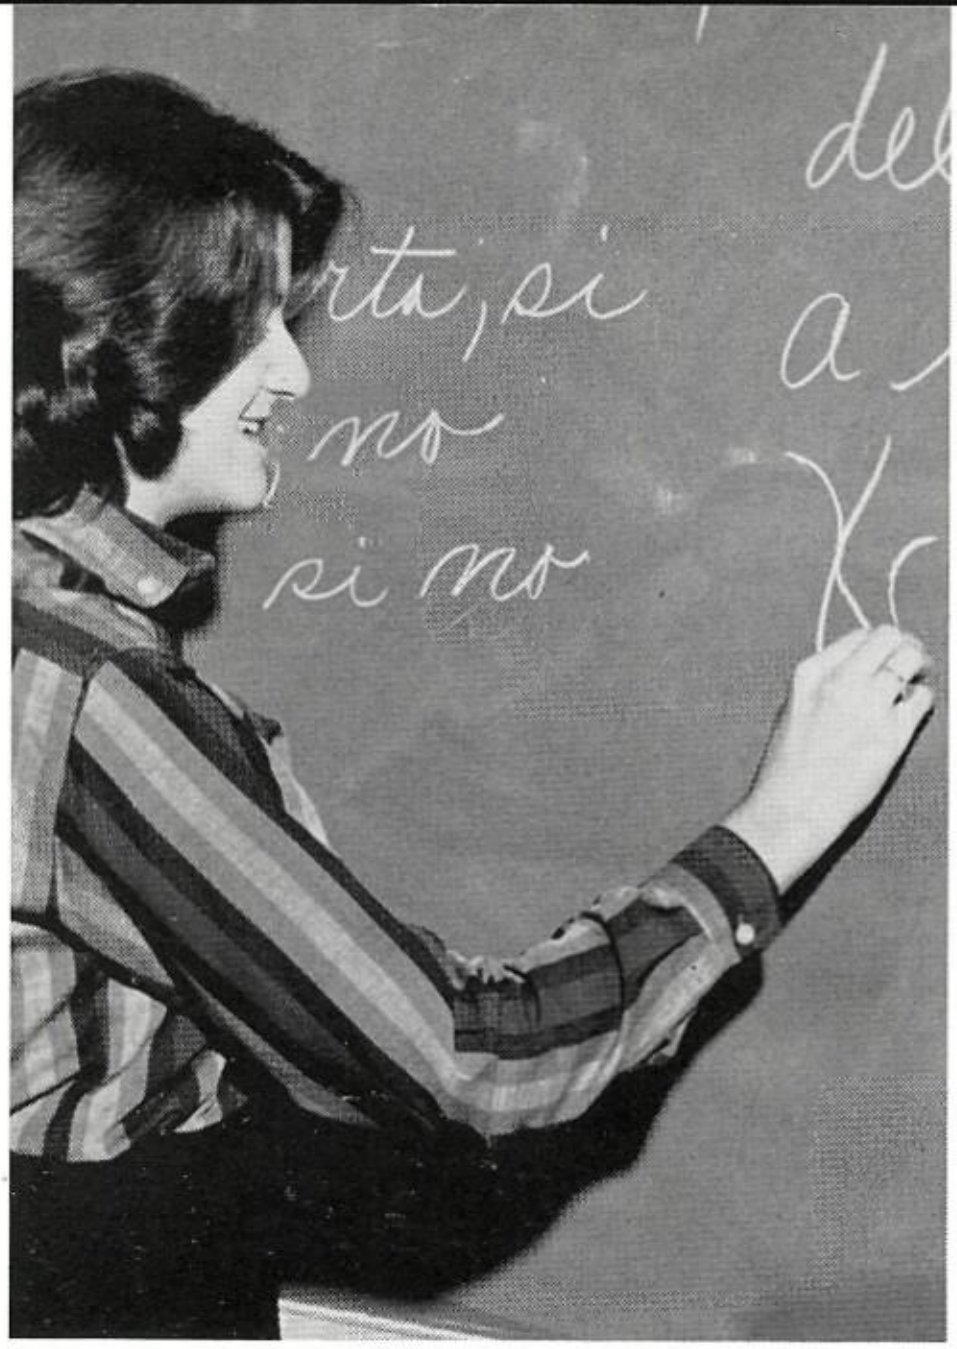
CURRICULUM



Spanish is one of the romance languages being taught at Woodlawn. Exercises done at the board are a great help in learning this subject. The correct translation for a sentence is being demonstrated by Chris Winter.

A movie about Colonial times intrigued Mrs. Williams' English III class as it was closely related to the unit they were studying in Literature. Paul Clark, visual aids worker, operated the projector.

English and Languages Aid Communication

This bulletin board in Mrs. Curlin's Latin II class emphasizes that Latin is not a dead language. Mary Lynn Odum and Ronnie Bass discuss this display which includes examples of Latin found commonly in magazines, newspapers and other printed matter.

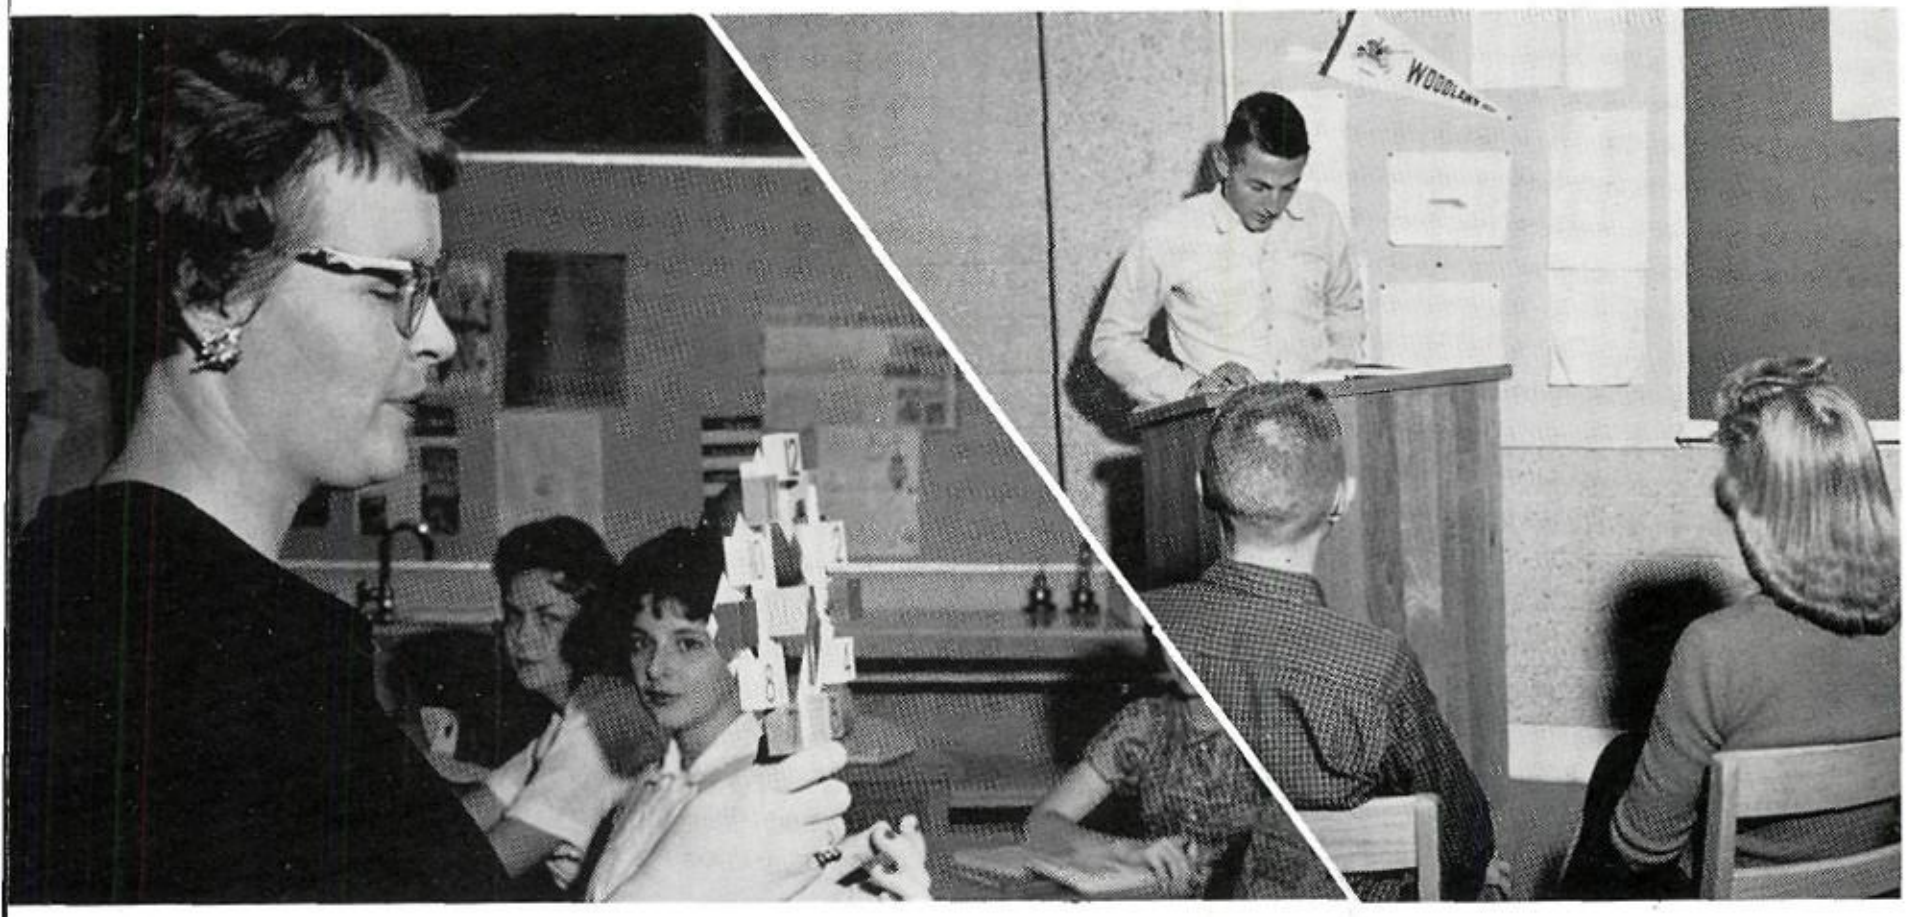
Spelling tests are given regularly in English II by Mrs. Whitaker. Sharon Mathis, Jennifer McKinnon and Sherry Paxton give their papers a last check before turning them in.

Gregg Boring, a Herald Sports Personality, is interviewed by Linda Sayers and Faye Smith. Journalism students serve as Herald reporters and get practical experience.

Miss Wigley's English IV classes are required to read several types of books. Classes are divided into groups of four and the students give oral reports in each group. Dianna Jones, Cheri Payton, Ted Bounds, and Ricky Meredith prepare to report.

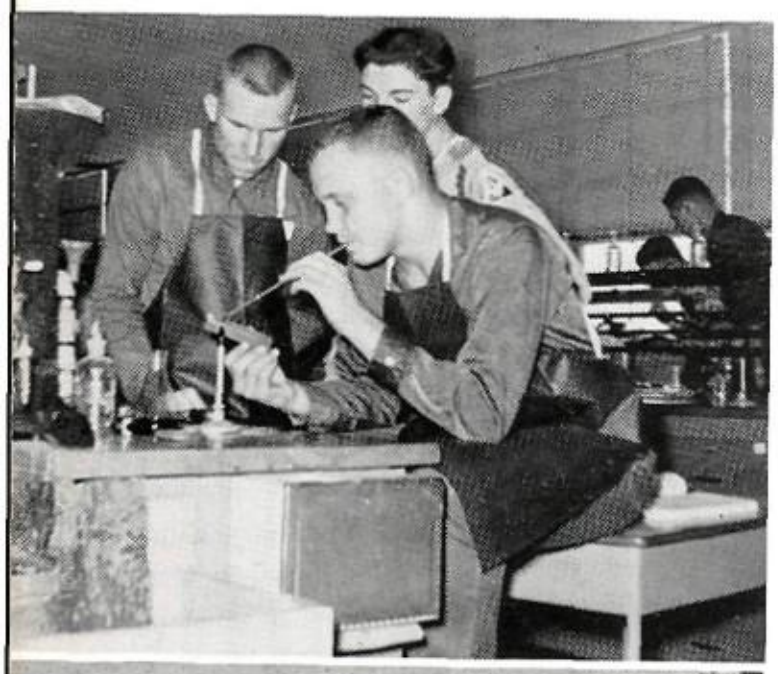
French takes on an interesting air as the students learn to tell the time of day. Georgie Childress and Ruthie Newton observe as Miss Moore turns the hands of the clock.

Speech class helps students to gain ease in public speaking by giving practice in the classroom. Chris Chrisner gives one such speech as Sonny Ragsdale and Sharon Anderson listen attentively.

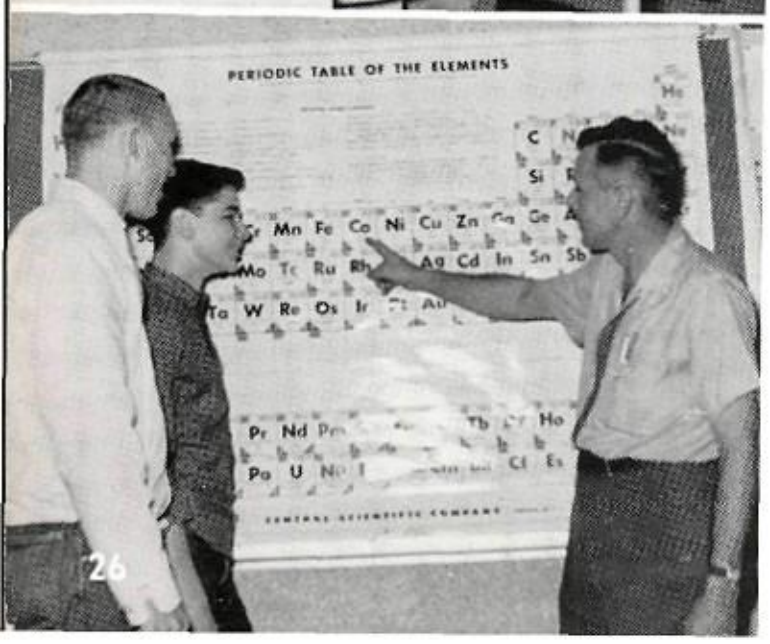


Jim Harper, Joel Haston and Martha Emmons measure the elastic energy of a coil in a physics experiment.

General Science teaches many valuable facts to aspiring young scientists. Ann Laird, Pat Goodner, Tommy Linder and Connie Piccollo study weather maps in an attempt to forecast the weather.



Chemistry experiments, along with intense classroom study, lay a firm foundation for many professions in this modern space age. Richard Leach looks on tensely while Carey Errington uses a bunsen burner and blowpipe to heat a lump of lead oxide imbedded in a charcoal block.



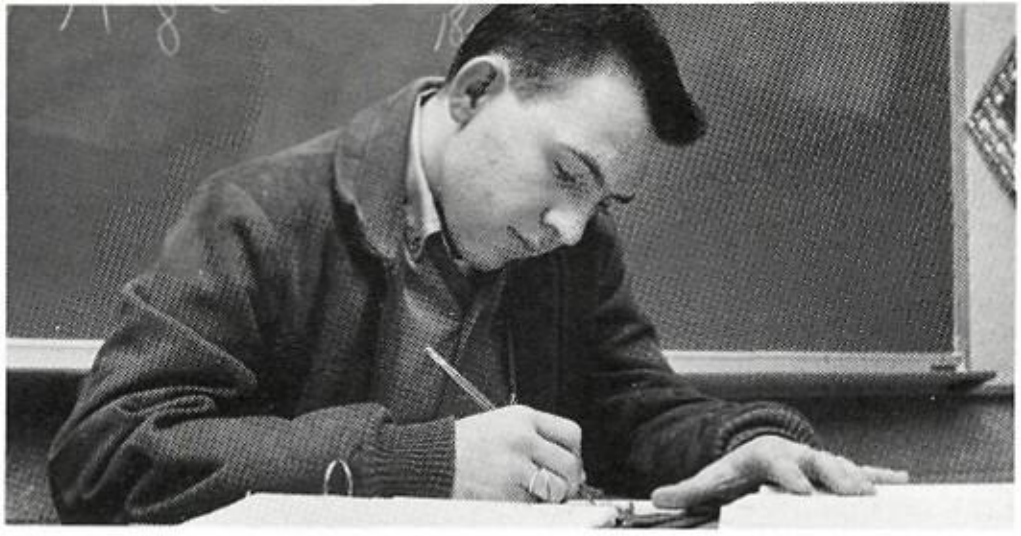
Mr. Herren points out element #27, cobalt, to Richard Leach and George Basinger in his third period chemistry class.

Science Courses Are Geared

Mark Thompson studies the vascular bundles in a plant stem under the microscope so he can draw the structure in his biology lab manual.

To The Space Age

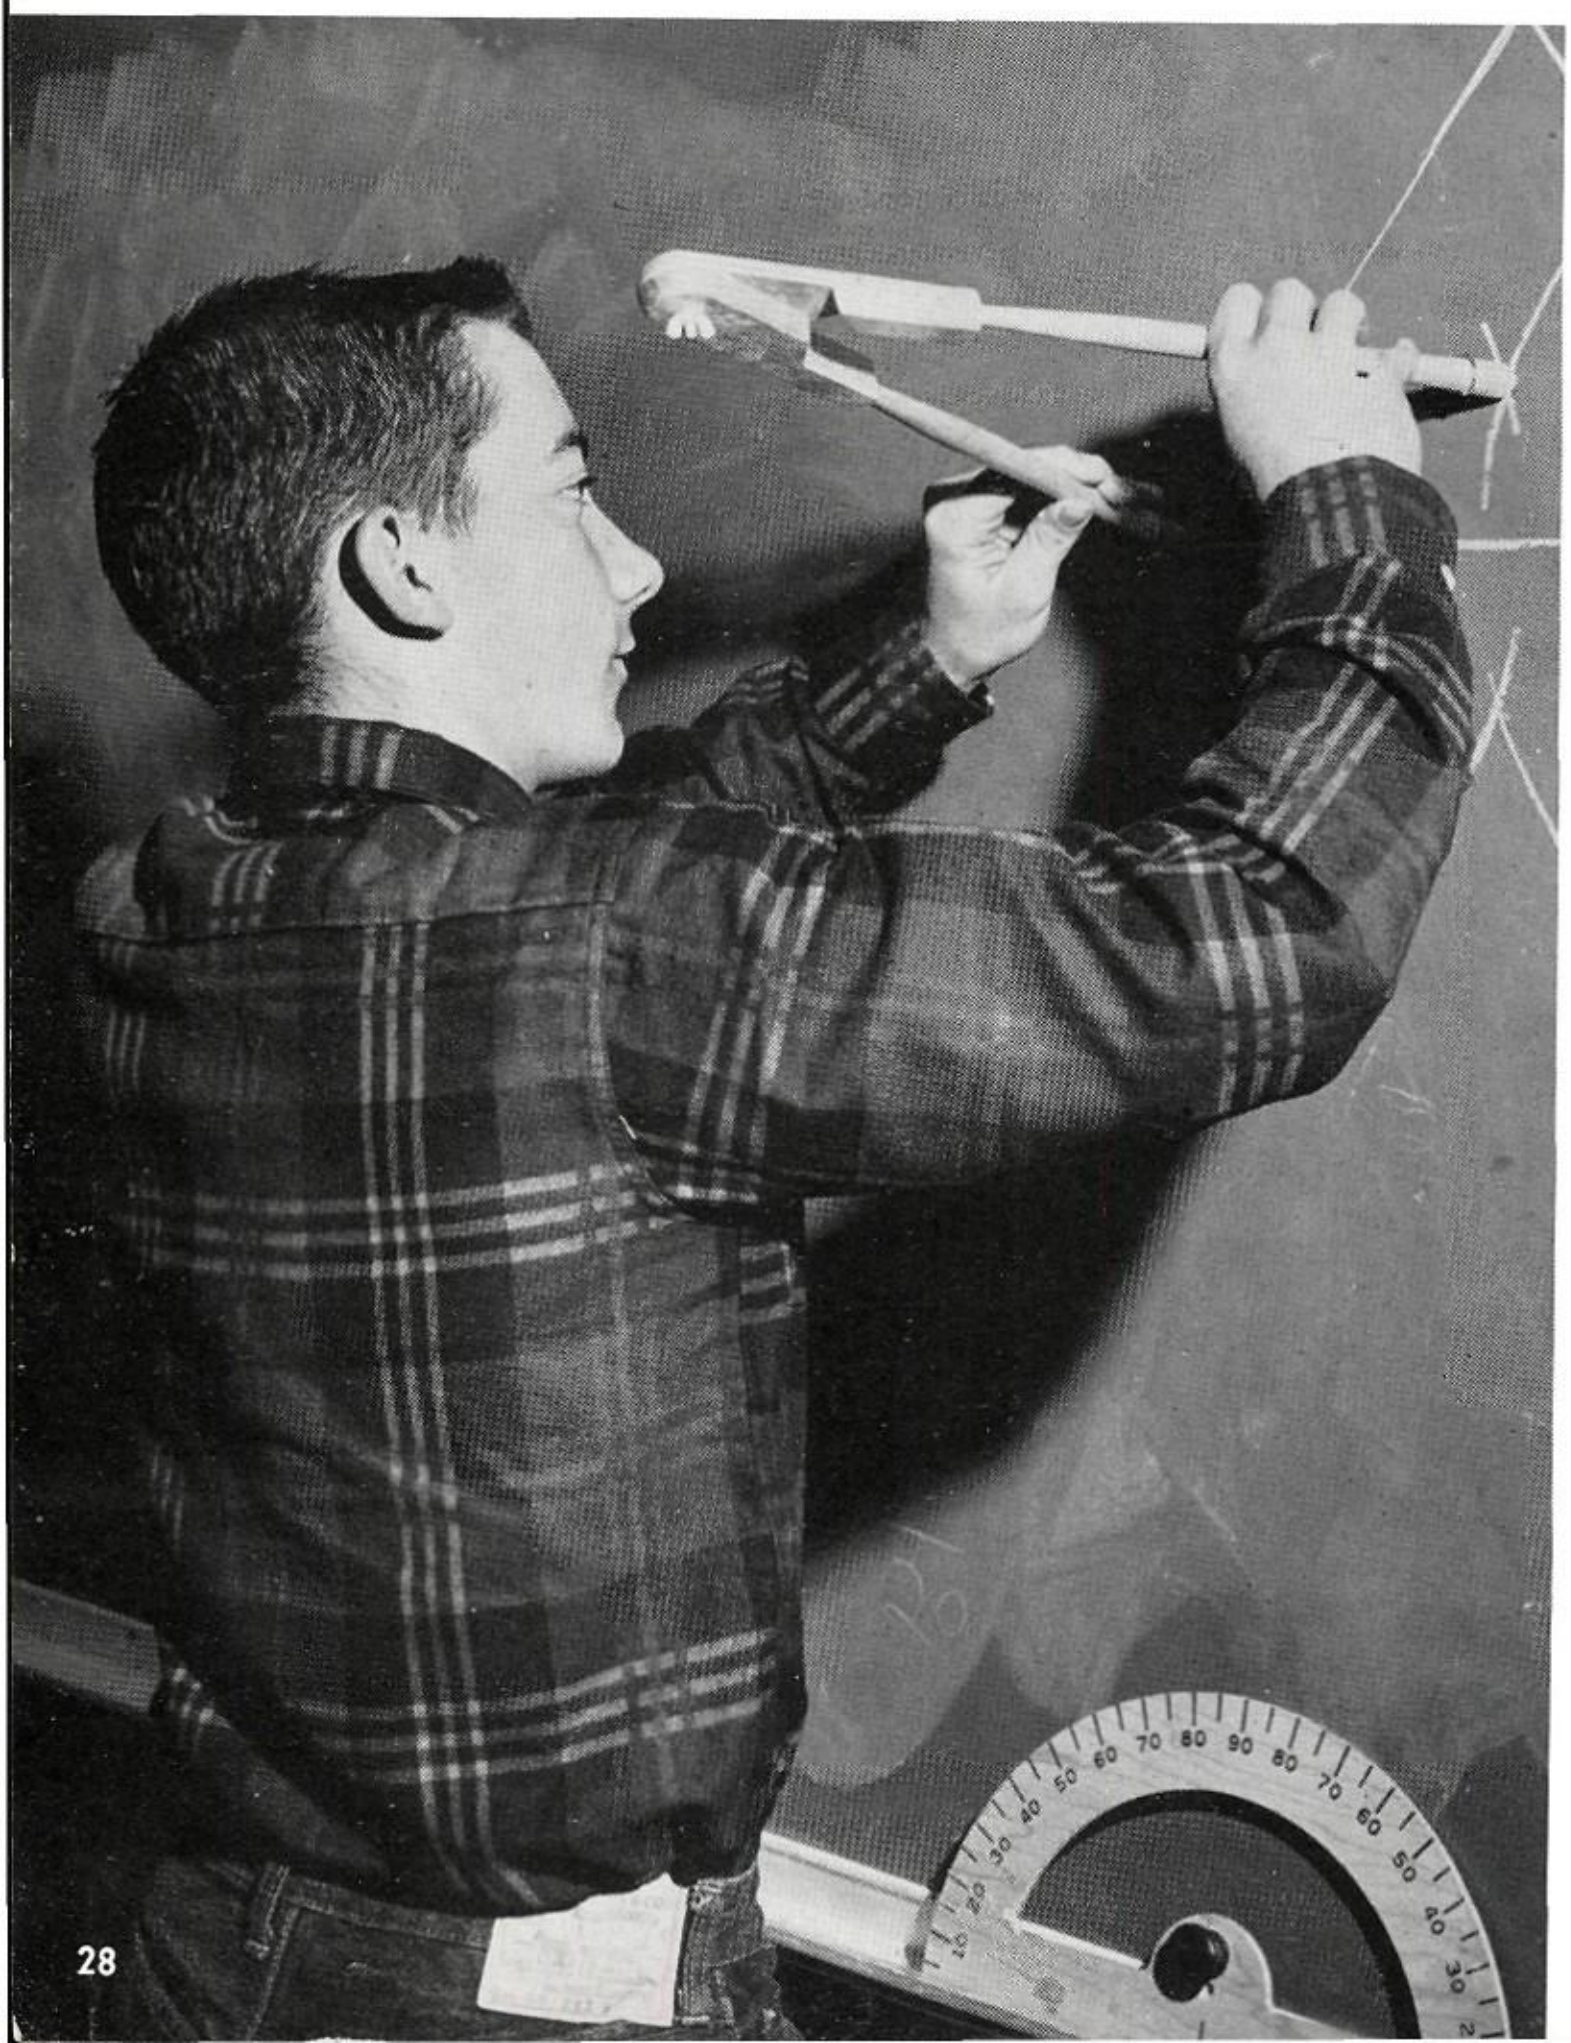
Benny Rains and Linda Sayers discuss a physics problem involving molecular motion.



"Practice makes perfect" is never more true than in Algebra. John Broussard is concentrating on a daily assignment in order to master the fundamentals.

Mr. Bass observes as Mike Hodge explains to Anita Robison a problem involving discount in Business Arithmetic.

Math Emphasizes Exactness



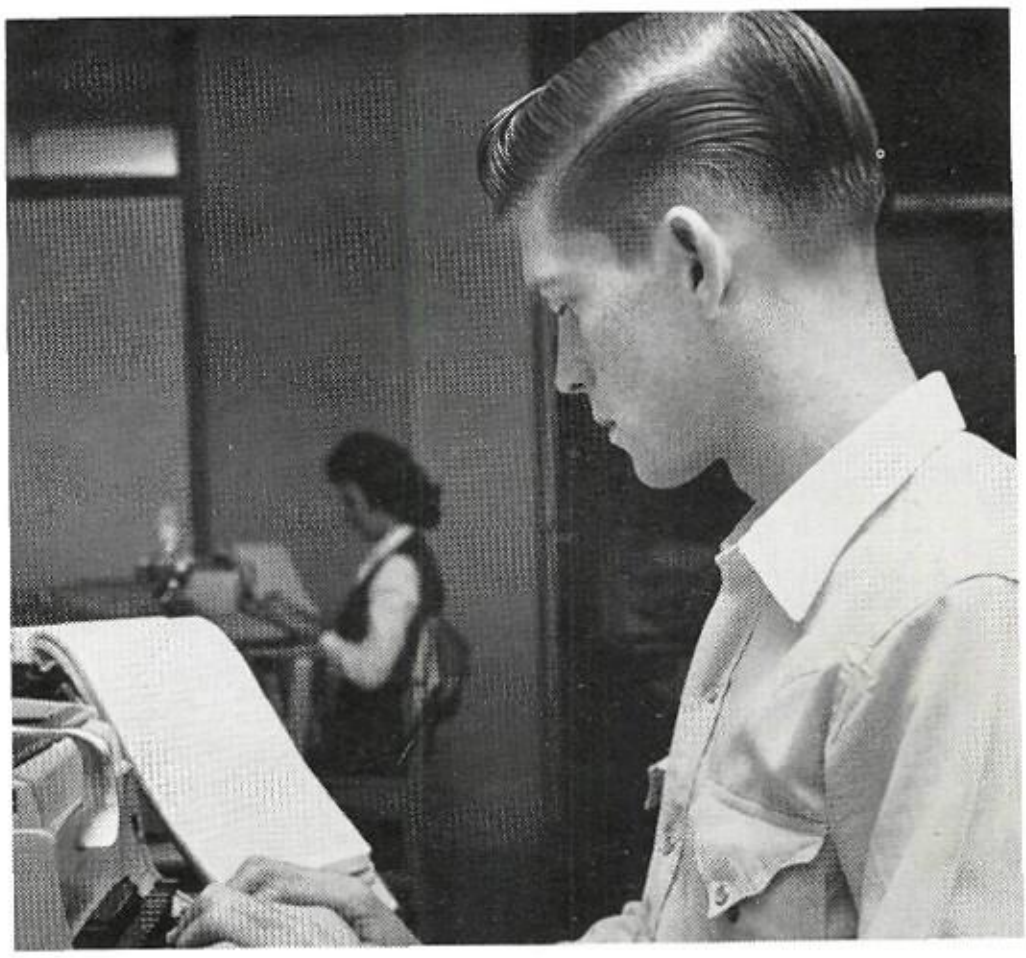
Using special equipment for work at the blackboard, Jimmy Edwards demonstrates to his Plane Geometry class the method of constructing a median to a triangle.

Skill Subjects Train for Business

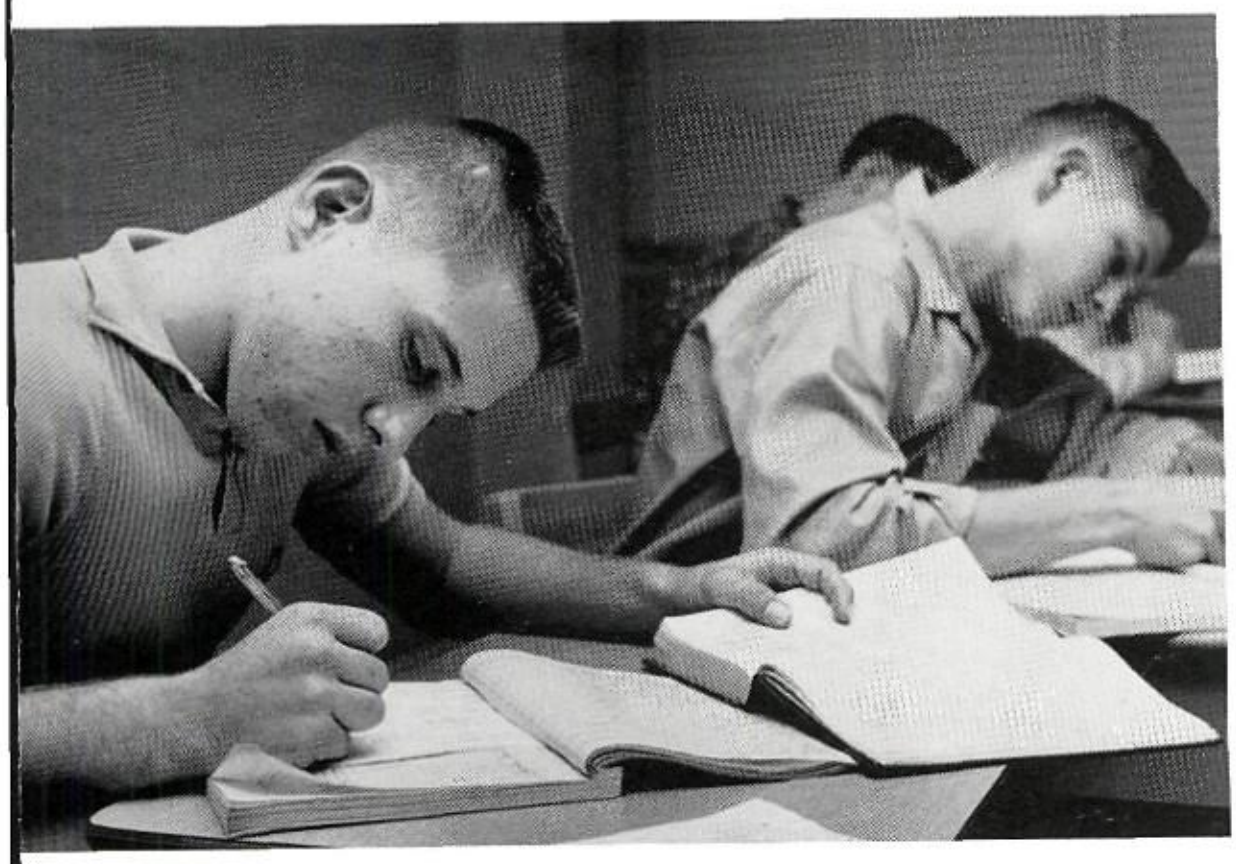
Sandra Merritt strives for a mailable copy of a letter as she transcribes from her shorthand notes taken at 80 words per minute in Shorthand II.

Barbara Tanner does a problem on the Monroe Calculator and Sandra Crow learns the use of the dictaphone in office practice.

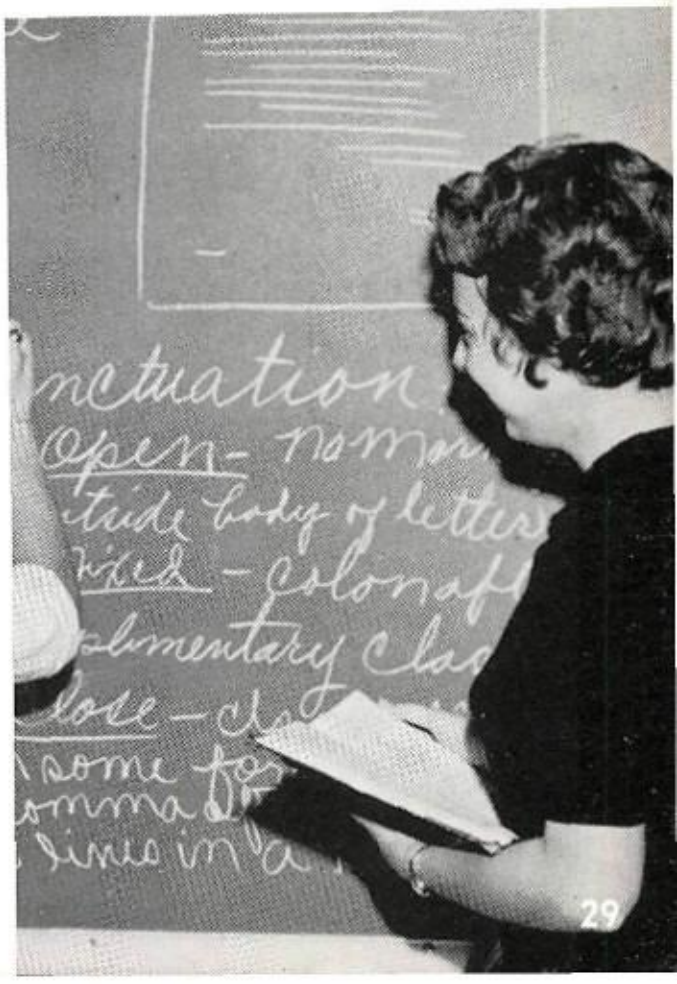
It takes a lot of effort and concentration to achieve desired finger control in typing, but Cecil Gates is trying for that goal.



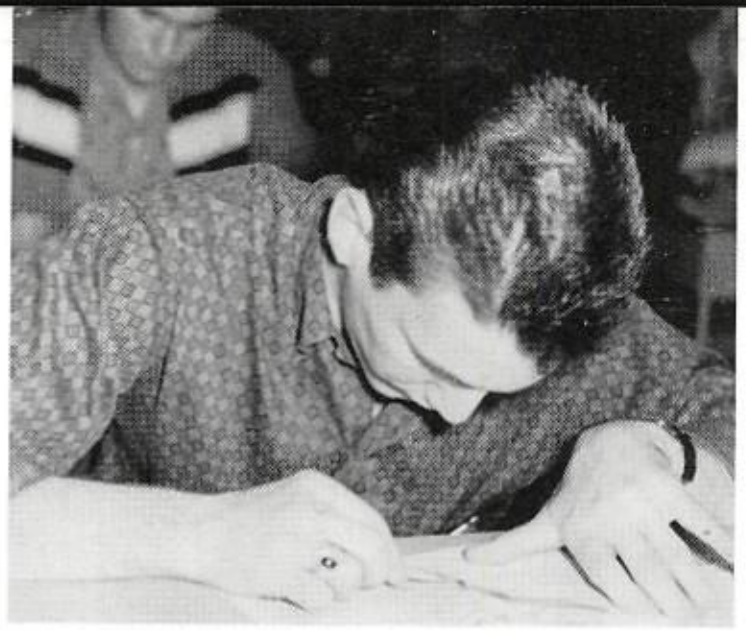
Ronnie Hanson and Larry Feibel concentrate as they figure on net profit in the completion of a work sheet in bookkeeping.



Jerry Womack reviews in Business English the different forms and punctuation styles that may be used in typing business letters.



Miss Christian helps Jerry Johnson to locate Berlin on the map as members of the third period Civics class look on.



Alan Emanuel can testify that World Geography requires plenty of map work.

American History affords an opportunity for students to acquire a deep appreciation of our freedom. Mr. Lummus' class is doing research for group reports on assigned subjects.

Social Studies Teach Appreciation

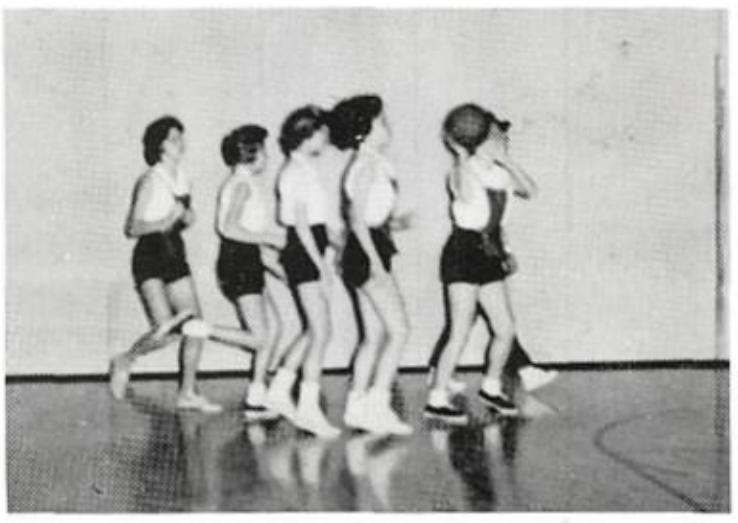
Sandy Grant and Jim Eizel learn that American History teaches many interesting facts about historical monuments in our country.

Physical Education Develops Strong Bodies

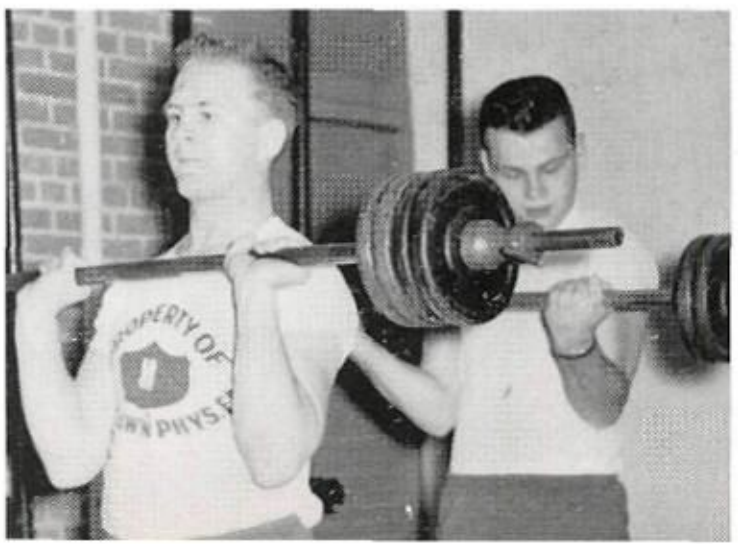
Miss Dixon's PE class thinks that it is a lot of fun to learn to square dance.

It is important to learn how to give help in emergencies so First Aid is taught for a six weeks period in Physical Education. Floy Alexander, Charlotte House, and Jeanie Huckabee study the kinds of bandages and Davida Lingenfelter practices tying one of those bandages.

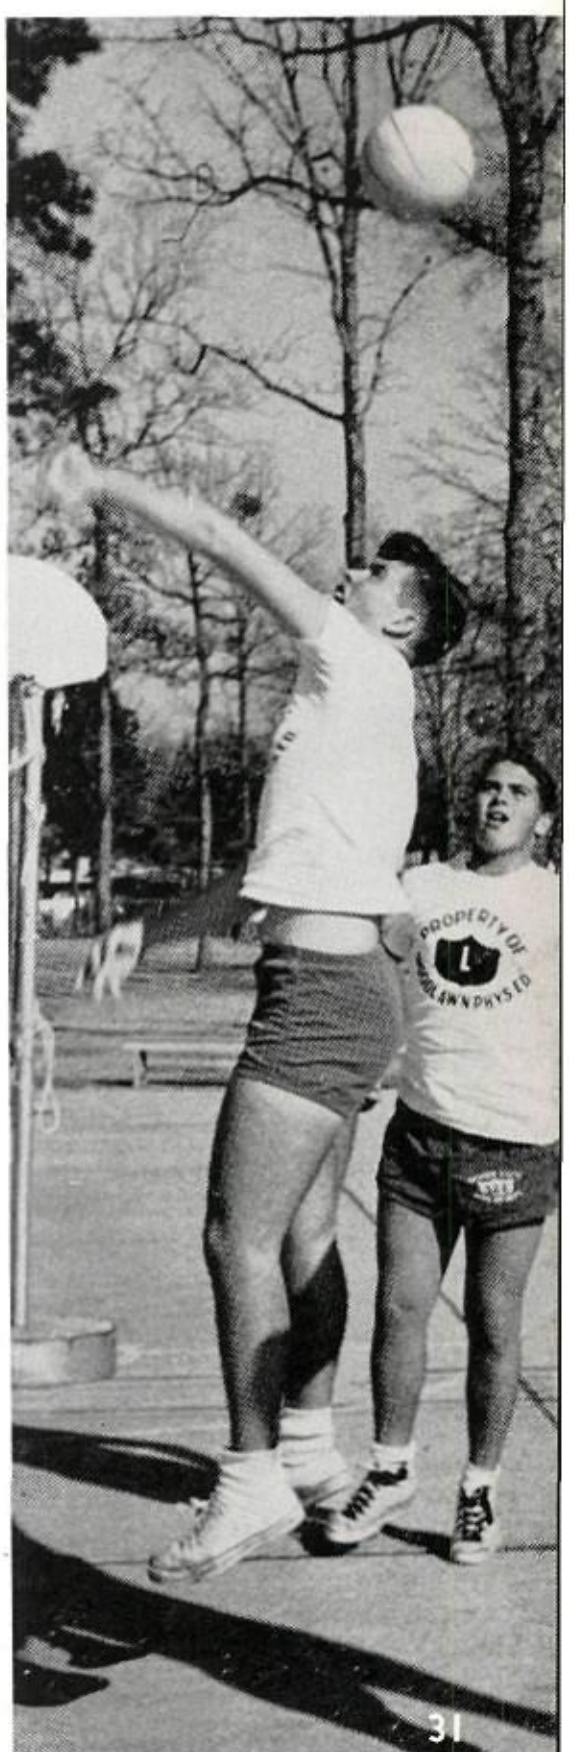
Basketball is one sport that the girls engage in for physical training.



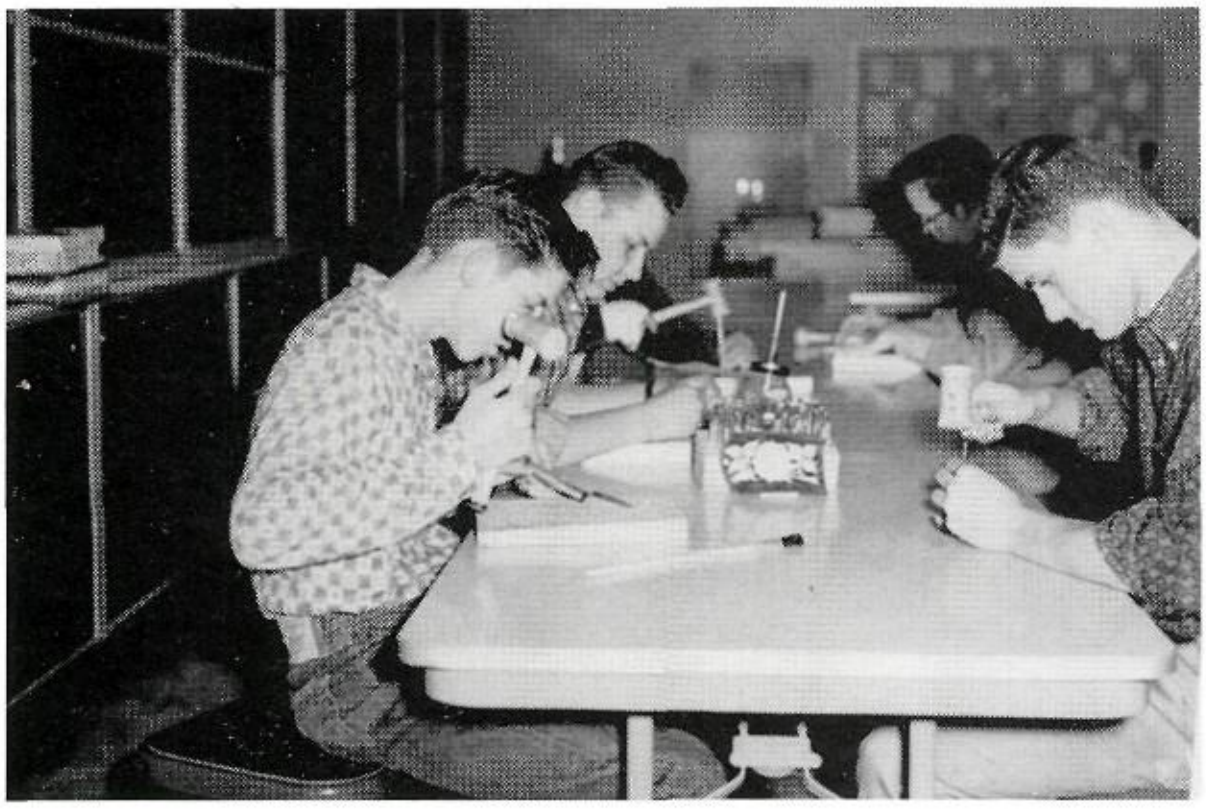
Lifting weights help Gene Marks and Bradley Harty to build strong muscles.



Donald Lynam and Guy Stroud make a determined effort to get that volley ball back over the net.

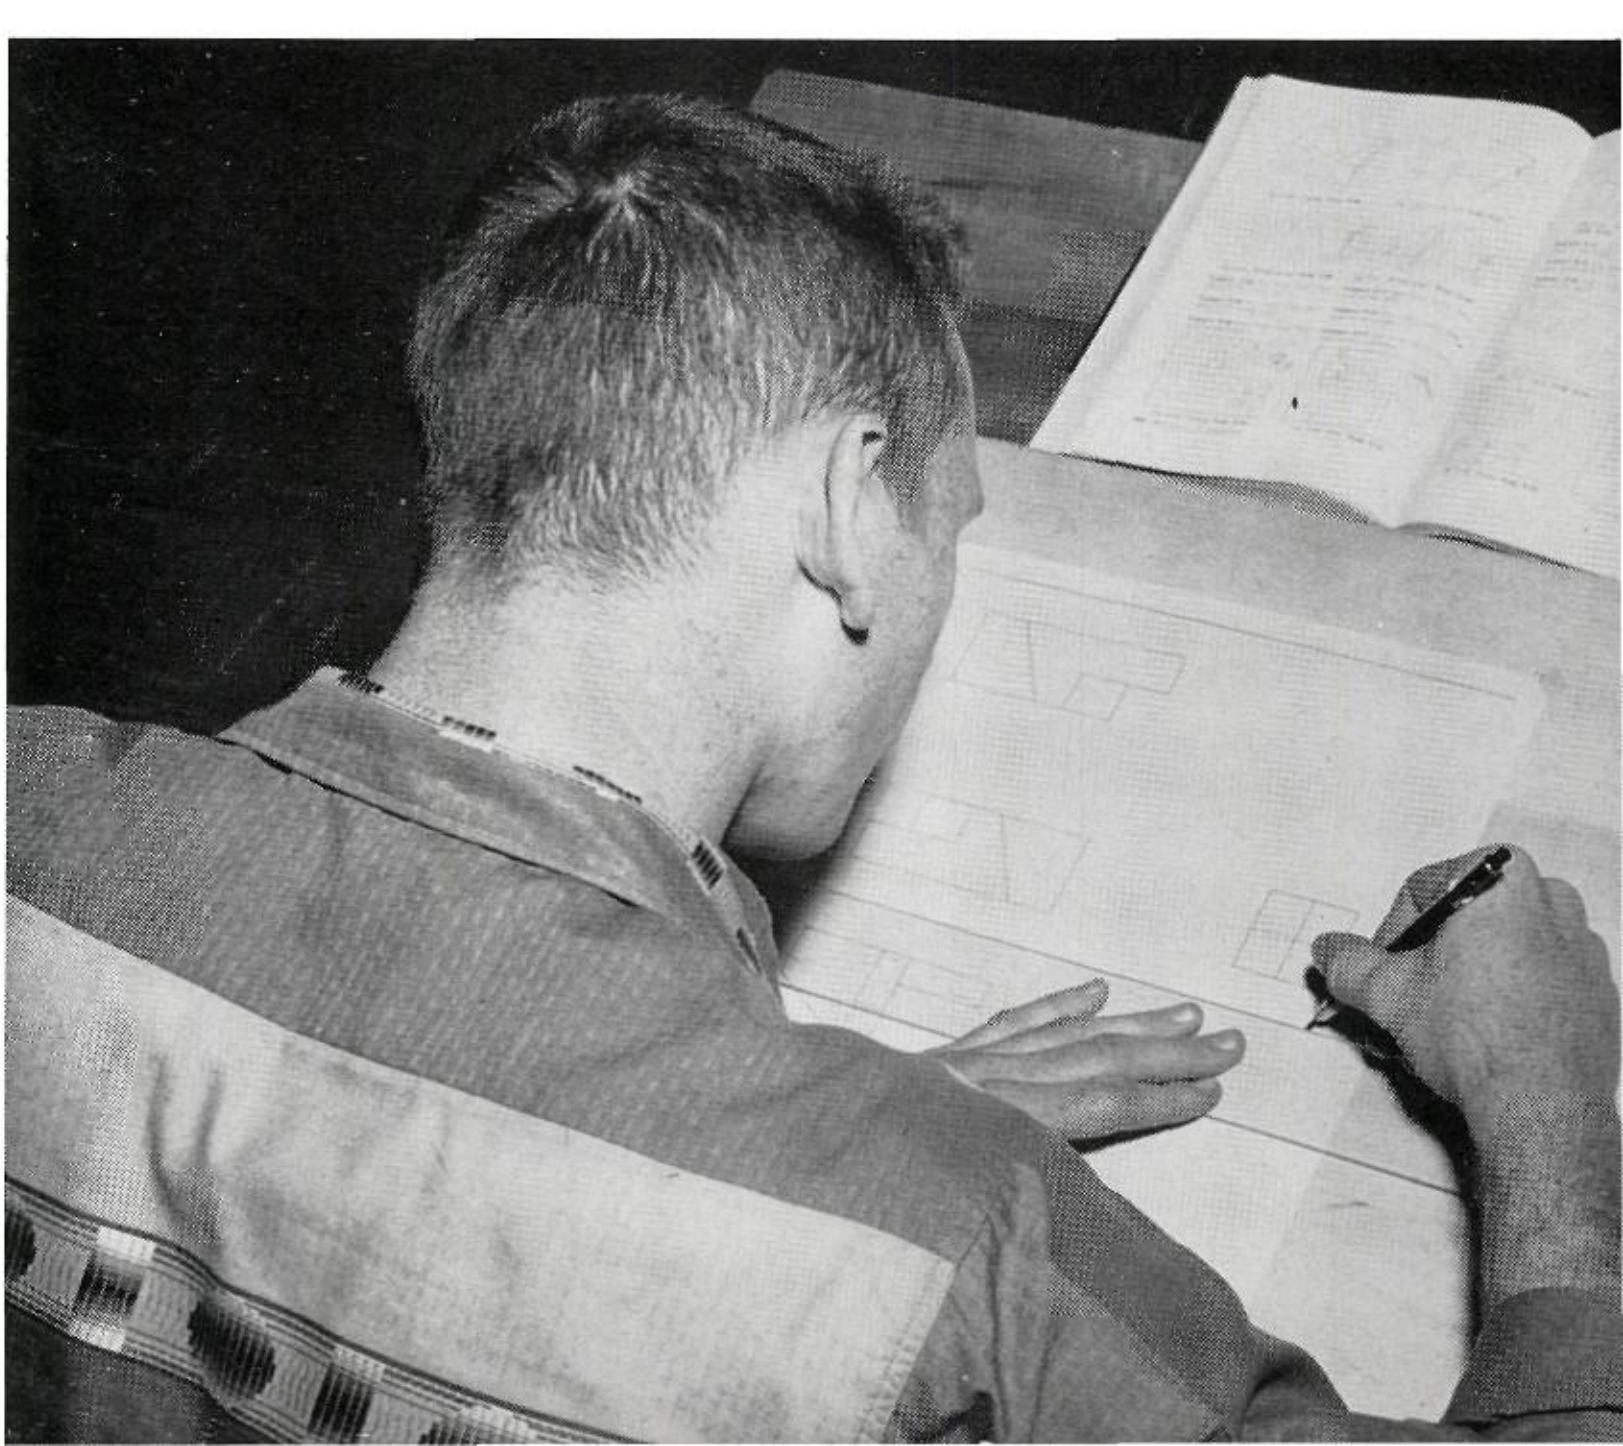


Arts and Crafts Develop Creativity and Teach Precision

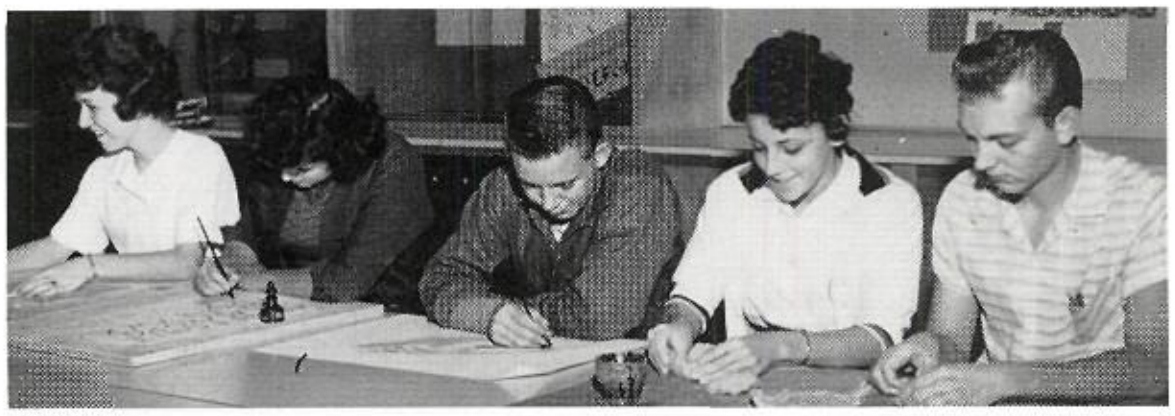


Danny Webster, Charles Odum and Gene Alleman develop skills in doing leatherwork. This is but one of the many interesting projects included in General Crafts.

Mechanical Drawing emphasizes precision to the nth degree. Elwin Rhodes illustrates this in making a working drawing which must be exact in every detail.



Woodworking class gives an opportunity for practical projects. Ronnie Hanson and Jim Eizel had such a lesson as they worked on the stationary float that was used for the court at Homecoming.



Dianne Gay, Sharon Martinez, Mark Estes, Joyce Tucker, and Don Zmek demonstrate the different projects that Art I offers.

After hand-setting the type, Graphic Arts students Marcus Lites and Terry Clem lock it up for the press. In this course, all phases of printing are studied.

Sue Blankenship works diligently in her homemaking class to complete her magenta colored wool suit.

HEALTH

BAND

Mr. Jennings works with several band members on the correct timing of a number.

NDCC

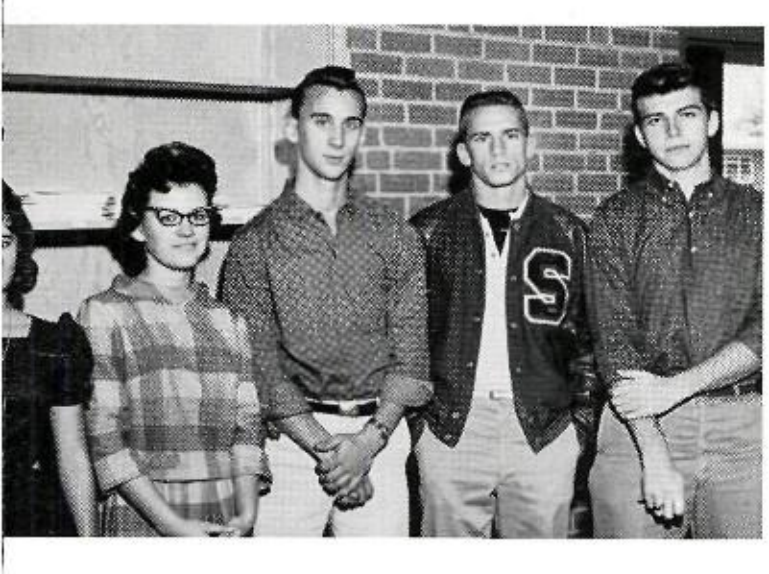
Captain Mike Hodge instructs Rodney Runyan, Johnny Shannon and Wayne Ford in the art of map reading. Eighteen hours are spent in teaching this important phase of the cadet corps.

DRIVER'S EDUCATION

Wayne Martin learns the fundamentals of safe driving fron
Instructor Billy Joe Adcox.

Special Interest Courses Offer Variety

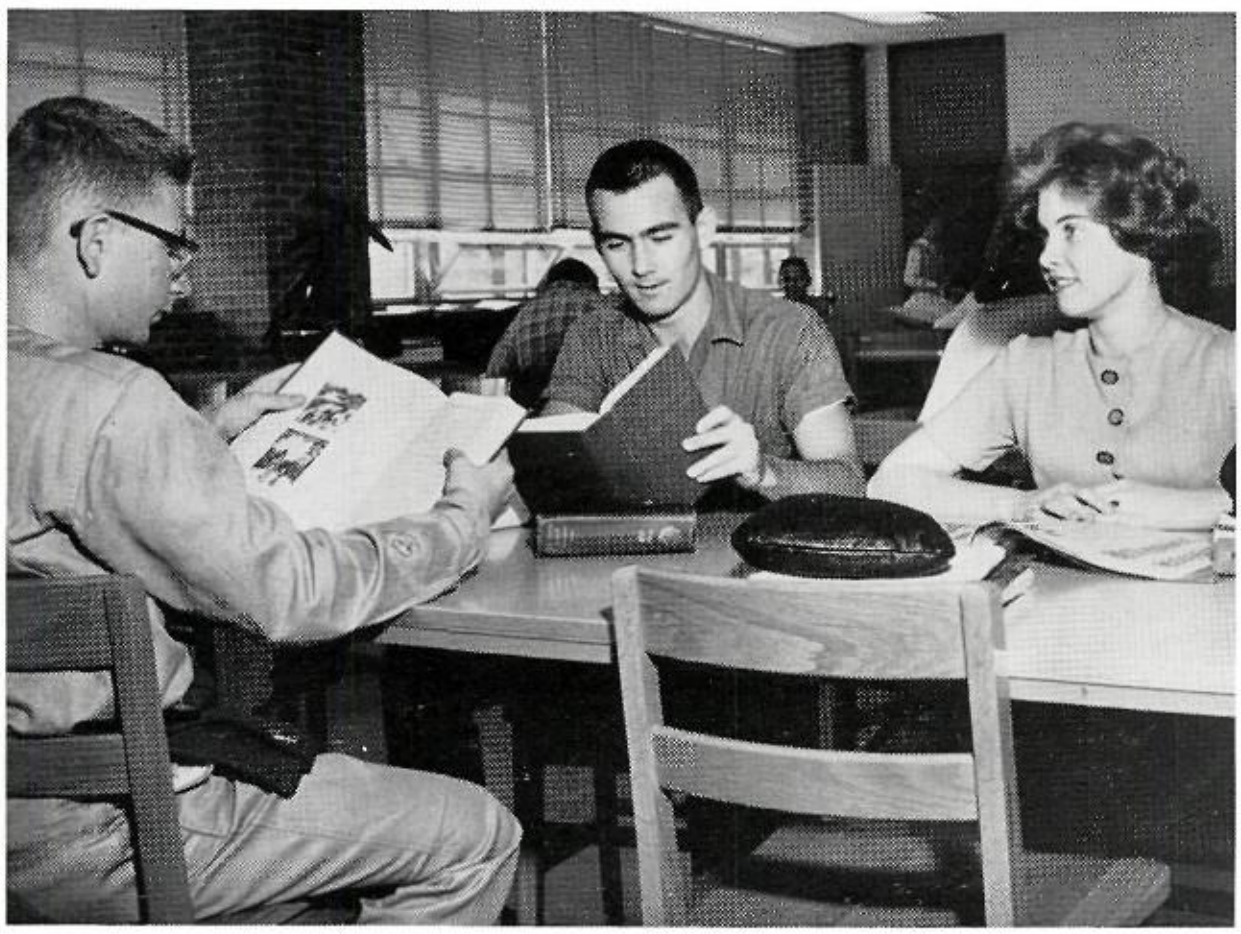
Mr. Simmons directs the concert choir as they rehearse for the Christmas cantata.



Dianne Woods, Ann Bartholomew, Joe McMahan, James Rice, and Don Lynam serve as school store workers. They give unselfishly of their time to render this service.

Surveying is one of the things that is taught in Vocational Agriculture. Mr. McKinnon instructs Robert Shaw, Rodney Bauman, Burton Long and Wayne Rainer in the proper use of a level and transit.

Bill Smith, James Overstreet, and Terrie Kelly take full advantage of the library's facilities by using the encyclopedias, reference books, and magazines.



Lonnie Farmer arranges a display of produce in a large food chain. He is one of many students who learn business practices through DE.

Concert Choir

The concert choir provides experience in concert choral work, performance, a knowledge of techniques, and a varied range of choral works.

To become a member of the concert choir one must have had previous experience in choral work, some musical knowledge, an audition by the director, and a keen desire to work and learn.

This mixed vocal group presents concerts at school and for local civic organizations.

The concert choir affords the opportunity for experience in the cultural aspects of society.

"Night of Miracles," a Christmas cantata, was given by the group and they also sang with the band at a special Christmas assembly.

Woodlawn's Concert Band members are experienced travelers indeed. They went to Natchitoches, Ruston, Monroe, Mansfield, and Vivian to march in parades and enter festivals and even took a spring tour into Arkansas.

Ten members were selected to participate in All State Band and All State Orchestra. This is an accomplishment for a group that started last year with only forty-one members. Now there are seventy-four—fourteen of which are seniors.

Precision marching at half-time shows during football season attracted widespread attention. The public also got to see the band at the State Fair Parade, the Natchitoches Christmas Festival, and the Holiday in Dixie Celebration. Several concerts were presented including one at Christmas and the annual Spring Concert.

Officers in the band consist of Librarians, Sergeants, a Captain, a Drum Major, an Assistant Drum Major, a quartermaster and the loading crew. On one occasion they worked up, rehearsed and performed a half-time show while the band director was absent with illness.

The orchestra has doubled its members since last year and can boast thirteen members in All-State Orchestra.

Being a member of this group gives experience in playing string literature from the masters as well as lesser known composers. Many of the students play other instruments and have taken a stringed instrument to augment their musical training.

Woodlawn offers Intermediate and Advanced Orchestra to students who wish to learn more about the string instruments and orchestra literature.

National Defense Cadet Corps

Woodlawn's unit of the National Defense Cadet Corps is composed of sixteen cadet officers, sixteen sponsors, and one hundred thirty-seven cadets. The corps is headed by Colonel Benny Rains and his staff, Major Bill Murray, Adjutant; and Major Mac Smith, Supply Officer.

The program is designed to teach basic military training including leadership, discipline, military courtesy, and awareness of our American Heritage. If pursued at the college level, it may lead to a commission in the U. S. Army Reserve.

This three year course provides one-fourth credit per year towards graduation and may be pursued in lieu of physical education.

In addition to five military classes per week the cadet corps is afforded such extra curricular activities as the Military Ball, Lancer Drill Team, Rifle Team, Sponsors Corps, half-time activities at football games, downtown parades and a two week encampment (voluntary) at Fort Polk.

Army officials inspecting the Corps in the spring of 1961 designated the Woodlawn Cadets as an Honor Unit due to a superior rating in training, administration, and support of the unit by school officials.

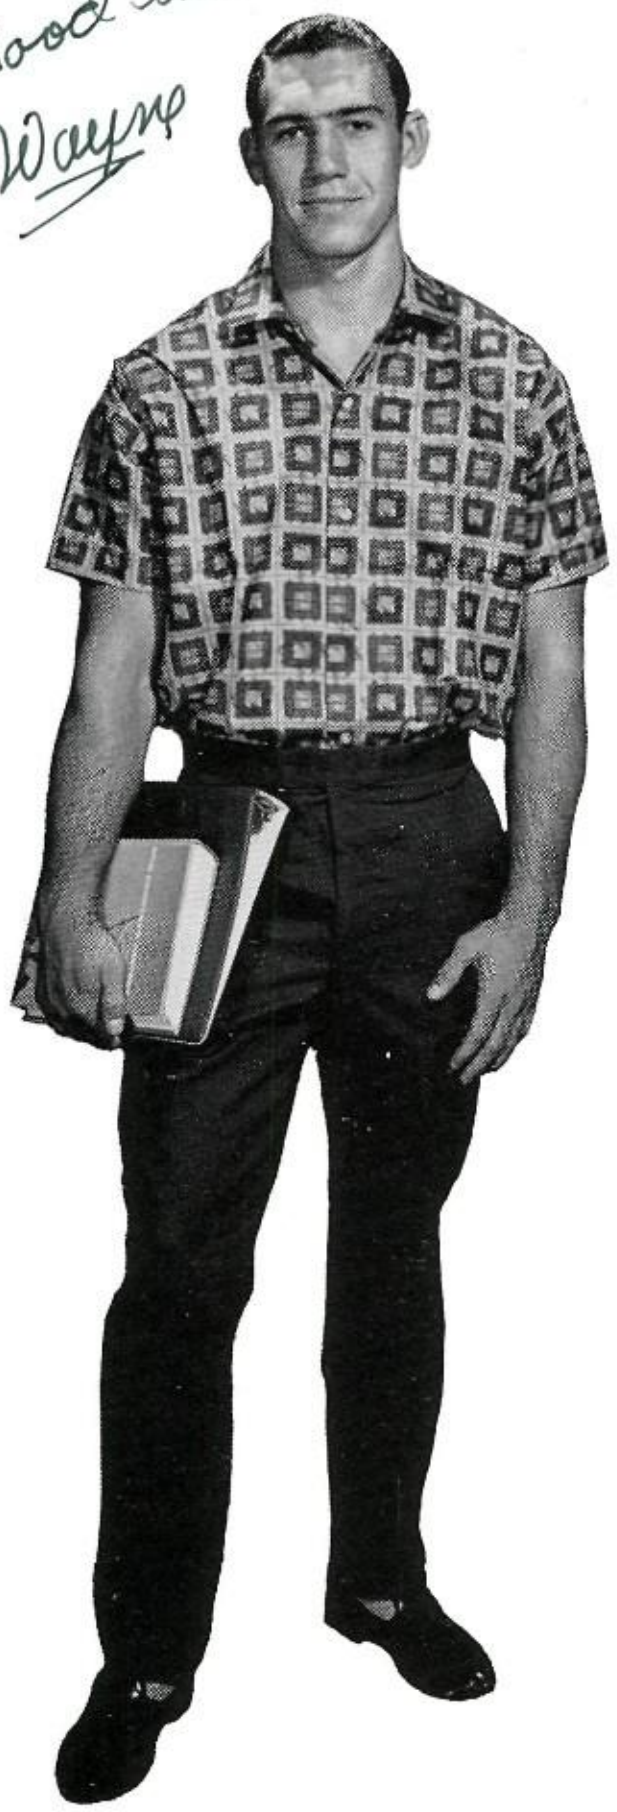
Janell Barton Wayne Davis Wayne

Mr. and Miss Woodlawn



Wayne Davis is a quiet, modest, well-liked young man who has won many honors for himself this year. He brought fame to our school by being named Woodlawn's first All State Football player. That title is all the more spectacular because this year marked his first appearance in football competition—he had played only touch football before. He was named to the All City and All District teams as well. Wayne was also a track star, lettering during his junior and senior year.

Janell Barton is a Distributive Education student who is currently serving as President of the DE Club. She was a Senior Maid in the Homecoming Court in November.

This attractive young lady works in the afternoons and on Saturdays as a secretary at the TG & Y store on 70th Street. She says that she has saved enough money in her two years as a DE student to send herself to a beauty school. It is her desire to be a hair stylist and own her own beauty school some day.

King Ted Bounds Queen Susan Falls

The Court of the Kingdom of Woodlawn was convened in a royal setting of white columns and gold lamé on the night of February 23, 1962, to award the accolade of knighthood, a gentle tap on the shoulder with a sword, to three young men who are seniors. Jim Harper, Billy Laird, and Gregg Boring were selected by the student body to receive this recognition because they possess outstanding qualities, have rendered service to their school, and have shown valor and loyalty. Thus King Ted Bounds conferred knighthood upon the three and Queen Susan Falls awarded them with a sash.

Entertainment was then presented before the entire court to honor Sir Jim, Sir Billy and Sir Gregg. The Knight's Ball climaxed the celebration.

Woodlawn Observes First Homecoming

Woodlawn's first Homecoming Court was presented in royal style at the State Fair Stadium, November 17, 1961. The court was presented at half time to the more than 12,000 spectators.

Many hard hours of work were put into the construction of the elegant scenery used for the presentation of the court. The scenery included a castle through which the court and their escorts passed, and a stationary float on which the court was seated after being presented.

Mrs. Virginia King, clothing advisor for the homecoming court, spent much time with the girls in planning their apparel for the ceremonies. Woodlawn's first homecoming will be remembered for many years to come. The valiant Knights came through with a 12-7 victory over the Bossier Bearkats. This thrilling victory cinched the 1-AAA District Championship title for the famed "Cinderella Team" of North Louisiana.

The Queen and her Maids observe the second half of the game after having been presented to the spectators.

ADVISORS
Miss MaryAnn Duke, Mrs. Susie Whitaker.

James Rice, President; Anne Hudson, Vice President; Cheryl Smith, Secretary.

Diploma carriers and ushers for graduation and baccalaureate come from this society, which was organized only last spring. There were twenty-three charter members—six seniors and seventeen juniors.

Not over fifteen per cent of the senior class and ten per cent of the junior class can be selected for membership. To be eligible, one must have a high scholastic average, exhibit leadership abilities, possess outstanding character traits and participate in varied school activities.

Woodlawn Sends Thirteen Delegates to Pelican Girls' and Boys' State

In the summer month of August, thirteen delegates representing Woodlawn attend Pelican Girls' and Boys' State. At Pelican State the representatives learned the fundamentals of our government. Many hard hours and sleepless nights were spent learning the duties, rights, and privileges of American citizens.

Each year the Junior class elects students to attend Pelican State. They are chosen on four qualifications: character, leadership, co-operation, and scholarship. Civic organizations of Shreveport sponsor each representative.

The Guidance Program in our school is a very effective one. Our counselors work very closely with the students and give help and encouragement when it is needed. They also serve as a link between the school and the Vocational Rehabilitation Department. Mr. A. B. Murray, director of this department, talks over college plans with Jim Storer and Sandra Crow.

In Memoriam

Jack Teller

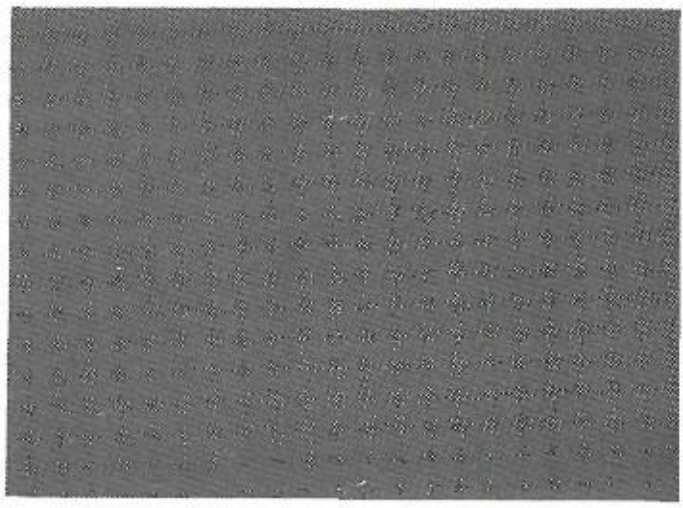
1945-1961

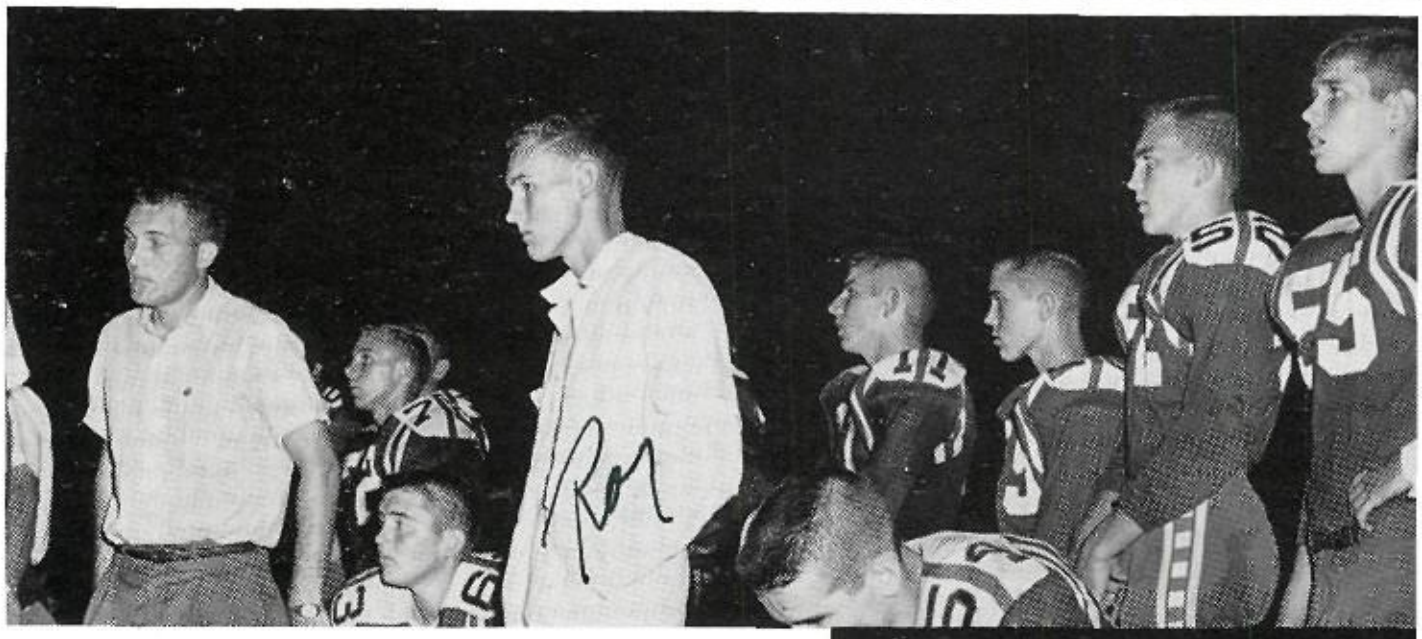
Death is but crossing the world, as friends do the seas; they live in one another still.

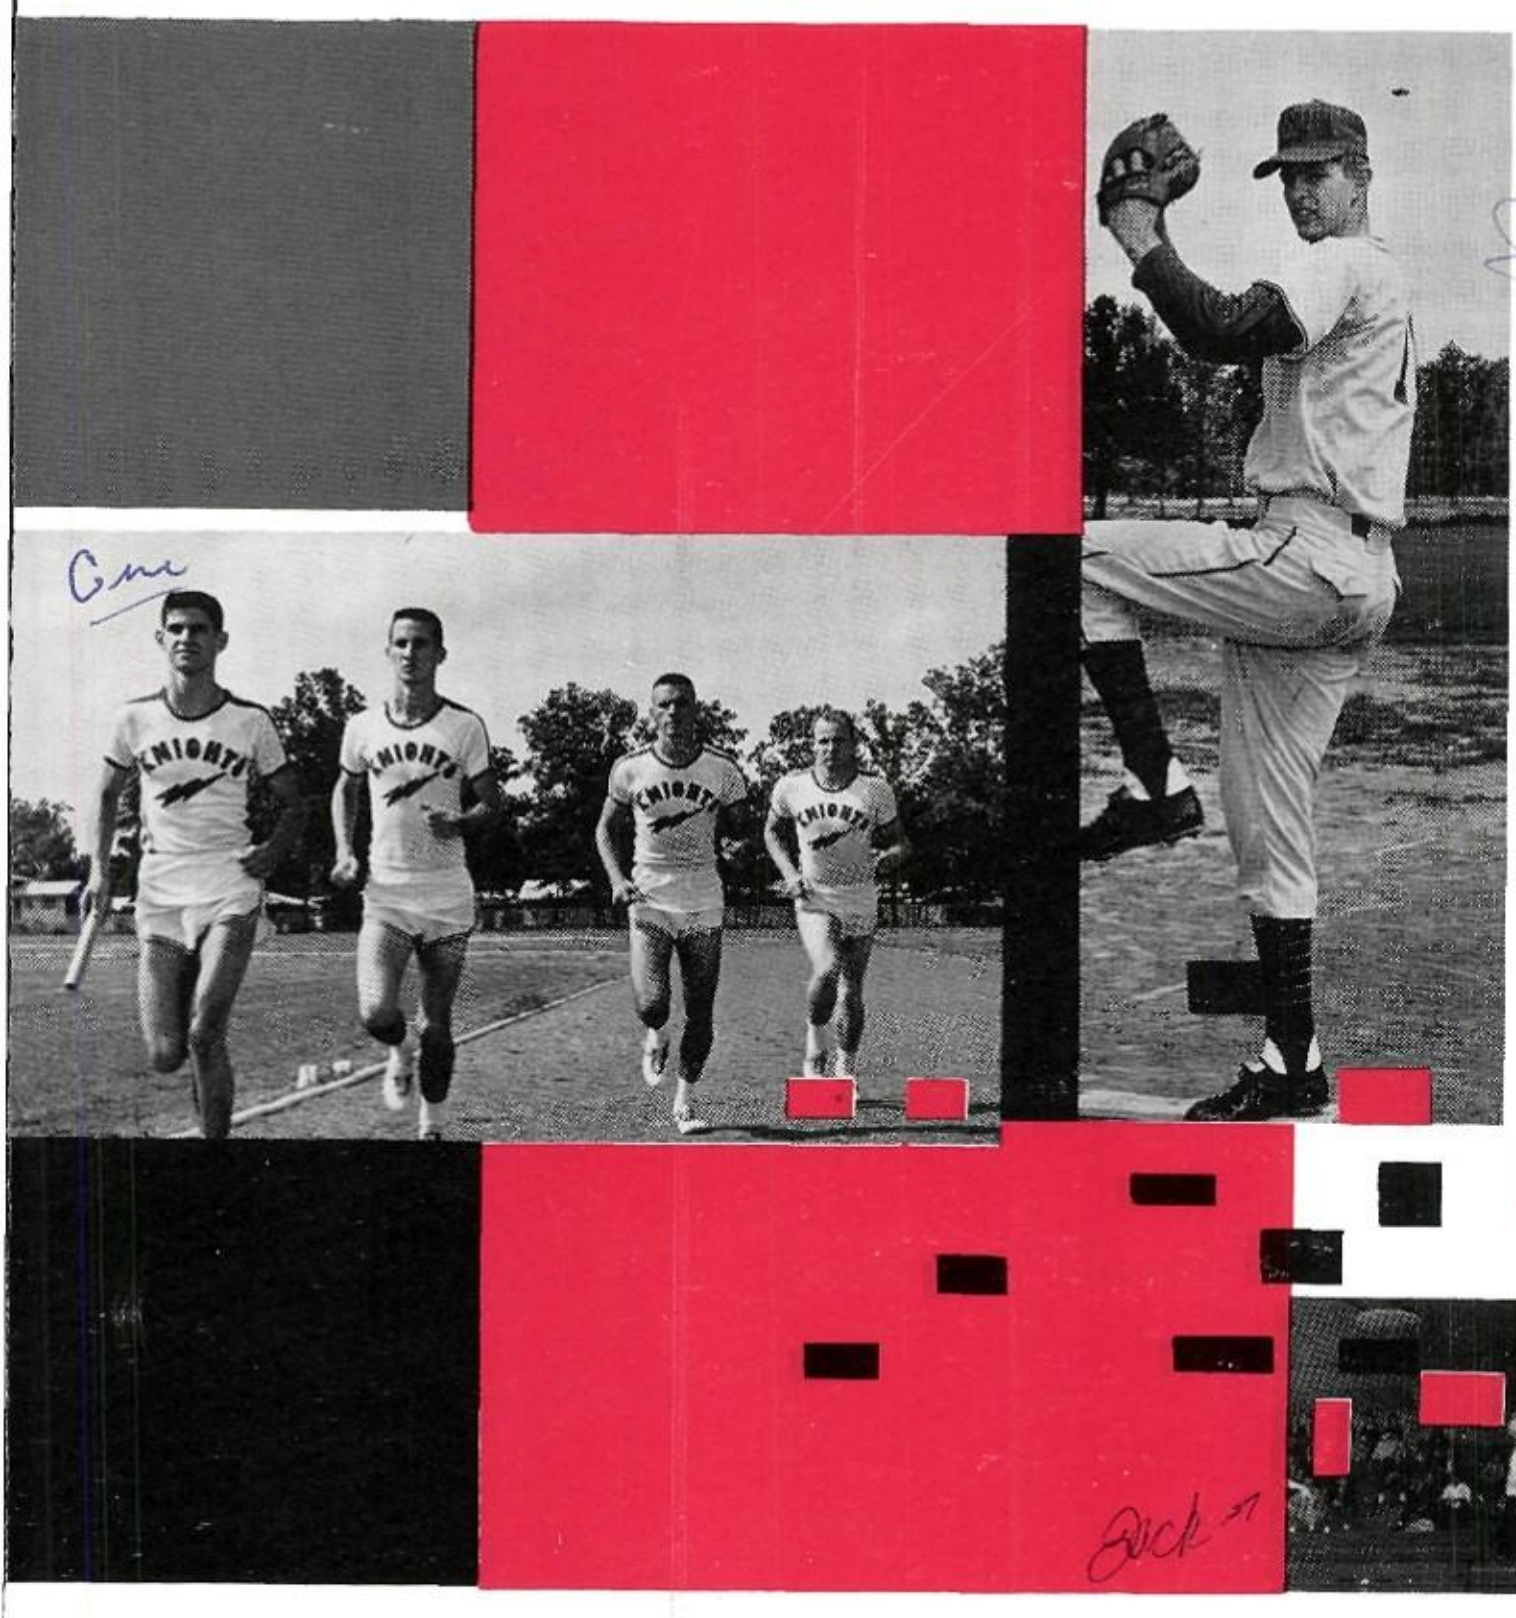
On the third of November, Jack Teller crossed the world; yet, he lives in it still because of his immortal friendships.

Henry Van Dyke once said, "There is only one way to get ready for immortality, and that is to love this life and live it as bravely, and faithfully and cheerfully as we can."

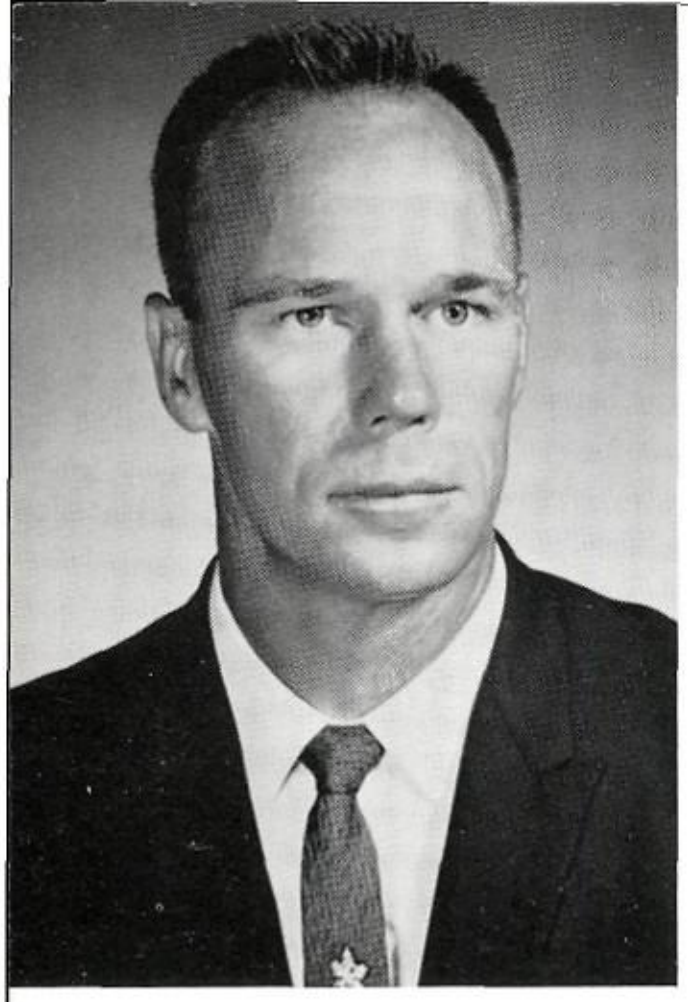
In this sense, Jack was ready. His teachers and friends will always remember him for his sunny disposition, his ready smile, and his friendly ways. Because we will remember him, we sincerely dedicate this page to Jack.







ATHLETICS



Lee Hedges
"Coach of the Year"

Knights Win District

The groundwork for our 1961 district 1-AAA football championship was laid during the 1960 season—the first in the school's history. A fine group of athletes kept their spirits high throughout a discouraging season in which we lost all nine of our games. Although we were unable to post a win, we felt the boys displayed the qualities necessary to become champions.

The 1961 team leaves us with many fine memories: the outstanding leadership and passing of quarterback Billy Laird; the spectacular pass reception by Wayne Davis in the Fair Park game which resulted in our first district win; the consistent line play of Ted Bounds, Larry Stephens, Edwards Walker, Claude Carrigan, Gregg Boring, Louis Parvino, Charles Wray, Elwin Rhodes, Joe McCarty, Jerry Downing, and Richard Leach; the supreme effort by Ed Brady in the Bastrop game; the crushing tackles of Paul Clark; the running of Tommy Linder when the going was toughest; the steady backfield performance of Jay Gould, Joe Geter, Robert Simmons, Lane Saffel and Ronnie Mercer; the pass receiving and defensive work of James Rice and Gene Alleman; and many other outstanding things for us to remember.

Yes, the 1961 team provided us with many thrills and a splendid 9-3 record, but their contributions to Woodlawn High School go beyond that. In winning the district championship during the second year of operation, they established the standards of sacrifice, desire to win, leadership, sportsmanship, and teamwork which will be followed by future athletic teams of Woodlawn.

Enough praise cannot be written about the team that made history with their many 100% efforts—one of the finest groups of young men that will ever don the Red and Blue.

Coach Hedges discusses strategy during time out with Quarterback Billy Laird

Woodlawn 13 North Caddo 6

In the opening game of the 1961 season, remembering their winless first year, Woodlawn's Knights stormed from behind scoring single touchdowns in the third and fourth quarters to record their "very first" football victory in only their second year of competition.

The Knights down 6-0 at halftime roared back in the second half to defeat North Caddo 13-6.

The tying touchdown came early in the third quarter on a two yard plunge by Jay Gould which ended a 65 yard drive on 11 plays.

With minutes left to play End Larry Stephens recovered a Reb fumble on the Woodlawn 47 and from there they marched to the climactic victory. The final and winning touchdown came with 48 seconds to play when Fullback Tommy Linder scored from the one yard line.

As the crowd poured onto the field after the game, only the coaches could be seen as they were given a triumphant ride off the field.

Woodlawn 12 Fair Park 6

The courageous young Knights recorded their second victory with a last second pass from Quarterback Billy Laird to End Wayne Davis. The Knights, outweighed 18 pounds per man, held the heavily favored Indians to a 0-0 halftime score. A third quarter touchdown by Fair Park brought the Knights to life. They promptly drove 65 yards in 11 plays capped off by Tommy Linder's one yard plunge for the tying marker. With less than three minutes remaining in the game, Laird directed the Knights to the rousing climax on 11 plays. Offensive standouts in the game included Rice, Davis, Linder, and Laird. Defense standouts were Brady, Carrigan, and Clark.

Gene Alleman picks up long yardage in Ouachita game.

Woodlawn 12 Bastrop 0

The Knights once again displaying a fine fourth quarter defeated the Bastrop Rams with two quick touchdowns. Accurate passing and powerful running paved the way for their third straight win. The first score came with a 15 yard aerial toss to fleet-footed halfback James Rice. The Rams scoring threats were stopped by a stout defense spearheaded by middle guard Ed Brady and linebacker Paul Clark. A punt return to the midfield stripe set up the second touchdown. Ends Ted Bounds and Wayne Davis caught important passes before fullback Tommy Linder bulled his way over from the two. The Knights commanded this lead the rest of the game.

Woodlawn 13 Ouachita 7

Before 6000 spellbound fans the Knights cut down the previously-unbeaten Ouachita Lions 13-7 at State Fair Stadium. The two teams battled to a scoreless first half. Enthusiasm rolled through the stands as tackle Claude Carrigan recovered a Lion fumble at the Knight 38-yard line. This set up the first T. D. drive which covered 62 yards. The score came when Billy Laird rolled out around right end and finding no one to pass to legged it into the end zone. Gene Alleman followed with the PAT. Ouachita's only score of the game came on a one-yard plunge by Quarterback Warner. With five minutes left in the game Fullback Tommy Linder drove over from the one-yard line for the winning marker.

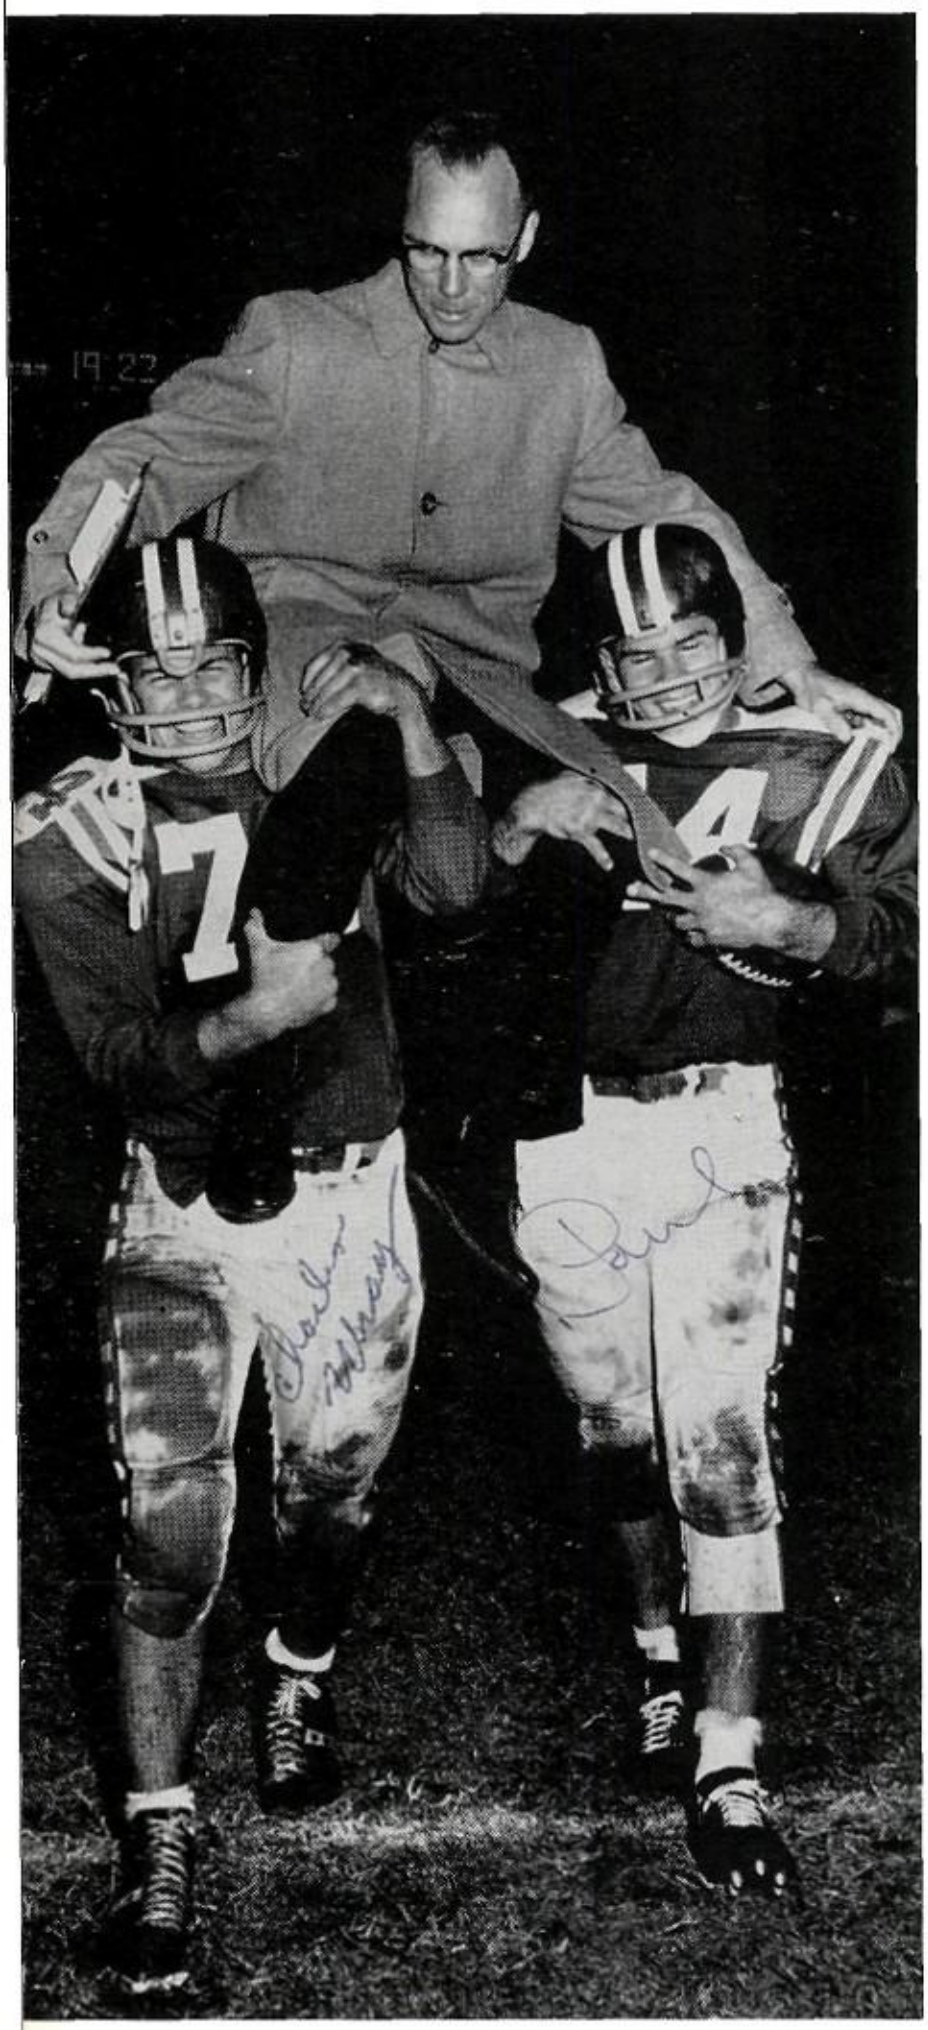
Woodlawn 20 Springhill 0

Woodlawn's amazing Knights, keyed up over their recent victory with Ouachita, chopped down the Springhill Lumberjacks 20-0. After a scoreless first quarter, the game came alive with action when Laird and Davis teamed up on an electrifying 64-yard scoring play. Several minutes later the pair teamed up again on a 25-yard play which set the stage for Linder's 12-yard burst into the end zone.

The Knights got a break at the start of the second half when Springhill bobbled the kickoff and Joe Geter pounced on it at the Lumberjacks 25. In just five plays Paul Clark scored the final touchdown from the one.



"Our burden indeed is light," Paul Clark and Charles Wray seem to say by their big grins as they carry Coach Hedges from the field after the climactic, exciting Bossier game which gave the Knights their first title of any kind in sports—District 1-AAA Champions.

Woodlawn 7 West Monroe 0

Woodlawn used a first quarter touchdown and a tough defense to defeat the powerful West Monroe Rebels 7-0. This victory gave the second-year Knights a clear-cut claim to the district 1-AAA football lead.

The Knights, outweighed 17 pounds per man, drove 80 yards in 8 plays, late in the first quarter, for the only score of the game. The score came on a four-yard plunge by Fullback Tommy Linder. Jay Gould ran over the PAT to finish the scoring 7-0.

During the final quarter the Knights' stout defense kept the Rebels from scoring with three "goal line stands" inside their five yard line. Members of that defensive unit were Brady, Carrigan, Boring, Bounds, and Davis up front; Linder and Clark at linebackers; Mercer and Saffel on the corners; and Alleman and Rice deep.

Woodlawn 19 Mansfield 14

The Knights were down 14-13 midway in the final quarter and once again showed their ability to come back as they defeated stubborn Mansfield 19-14. The winning marker came on a 19-yard burst by Fullback Tommy Linder with 4:54 left to play.

A Mansfield Homecoming crowd of 3,000 saw the Knights light up the score board with only 1:21 gone in the game. On the third play from scrimmage Billy Laird connected with halfback James Rice on a 73-yard touchdown pass play. Gene Alleman followed with the PAT. Mansfield scored late in the first half to knot the score at 7-7 at halftime. Early in the third quarter Jay Gould's seven yard scoring run capped off a 79-yard drive. Mansfield scored in the opening minutes of the fourth quarter and held the lead until Linder's winning TD. Linder, corner back Ronnie Mercer, and tackle Claude Carrigan were defensive standouts.

Woodlawn 0 Byrd 26

Woodlawn's dream of a undefeated season slipped through their hands as the Byrd Yellow Jackets handed the Knights their first loss of the year, 26-0. 20,000 fans packed into State Fair Stadium to witness the battle between two of the top ranked football teams in the state. Woodlawn's offensive machine seemed to clog up throughout the game, as the Knights did not penetrate Byrd territory until late in the fourth quarter. Fullback Tommy Linder was the Knights main offensive weapon although he was held to a sub par 30 yards on five carries. The Jackets also battled up the Knight passing attack allowing only 32 yards through the air.

Woodlawn 6 Jesuit 13

Woodlawn suffered its second defeat at the hands of the Jesuit Blue Flyers. Bucky Bovenzi sparked the Flyers victory with two key pass interceptions. The first came late in the second quarter which resulted into the first score. The Knights only score came on a 51-yard pass from quarterback Billy Laird to end Ted Bounds as the gun sounded ending the first half. The Flyers second score came in the third quarter when McGuffy took a lateral from halfback Kimball and raced 21 yards for the score. Late in the fourth quarter the Knights went into a "shotgun formation." Laird used halfbacks Alleman and Rice as his main receivers to move the ball from their own 25 to the Jesuit 6 yard line as the final gun sounded.

Woodlawn 39 Homer 7

Woodlawn trounced the Homer Pelicans 39-7 in a tune up for its important district game with Bossier. Quarterback Billy Laird led the Knights with 63 yards rushing and completed 7 of 9 passes for 144 yards before leaving the game in the third quarter. Laird passed for the first three touchdowns, two to halfback James Rice and the other to end Wayne Davis. The Pelicans only score came on a one yard plunge by Jack Hollenshead. Woodlawn took a 26-7 advantage at halftime on a 15-yard end sweep by fullback Tommy Linder. Jay Gould topped off a 76-yard drive with a 14-yard touchdown run in the third quarter. The final score came on a 54-yard pass interception by end Ed Walker.

Woodlawn 12 Bossier 7

The Bossier game was the crucial battle of the season as the title of district champions hung in the balance. Woodlawn's hard-hitting Knights, who brought excitement to North Louisiana throughout a spectacular season, proved once again that they could rise to meet the challenge. They defeated the Bossier Bearkats 12-7 and thus they won the first title in their short two-year history—District 1-AAA Champions.

The Knights delighted their first Homecoming crowd by taking advantage of four fumble recoveries and three pass interceptions to march to victory. Neither team was able to penetrate the others goal line during the first half. The Knights took the second-half kick-off and drove to the Bossier five where Bossier took over on downs. On the next play Bossier fumbled and Ed Brady recovered for Woodlawn. Tommy Linder got the ball and crashed over for the touchdown from the four. They scored again when Ed Brady recovered a Reinowski fumble on the Bearkat 27, and seven plays later Linder drove over for the score from the six yard line.

Bossier's only score came on a 18 yard pass from Shewmake to Reinowski in the fourth quarter.

Woodlawn 6 Sulphur 28

The Knights made it to the state play-offs as a result of the Bossier win, but powerful Sulphur rolled past Woodlawn's "never-say-die" Knights 28-6 at State Fair Stadium. All-State quarterback Mike Duhon led Sulphur, scoring three touchdowns and rushing for 137 yards on 20 carries. The Tors scored the first time they received the ball. The score came on a one yard plunge by fullback Mike Vincent, another All-Stater. Sulphur's other scores came in the second and third quarters. The Knights only score came on a 13 yard pass from quarterback Billy Laird to halfback James Rice in the fourth quarter. One of the brightest spots for Woodlawn was the tremendous punting of junior halfback Paul Clark. He kicked five times for an average of 43.8 yards a kick.

This game ended the season, and the red and blue uniforms were packed away in anticipation of a fine third year in football.

Basketball

The 1961-62 version of Woodlawn's basketball although not completely successful, gave valuable experience. Under the guidance of Coach W. B. Calvert the Knights won district games from Bastrop, Ouachita, and West Monroe. With five seniors setting the example, the team did not let losses break their spirit. The season was ended with 11 victories in 27 games.

Woodlawn's contribution to the All City team was 6-6 center Jimmy Kneipp. Jimmy led the city in scoring with 462 points in 26 games for a 17.8 average per game. He also grabbed 353 rebounds for a 13.8 average. Other honors received by Jimmy were being selected to the Woodlawn, Byrd, and Bossier All-Tournament Teams. The Knights received consistent play all season from lettermen Ronnie Mercer, Ron Graf, Gregg Boring, Jack Jones, Jon Stephenson, and Roy Martinez.

Knights of the Round Table

The "Knights of the Round Table" had a busy year as they counseled together regularly to keep abreast of student activities.

Through the year, the council sponsored student elections, chapel services and the school store. During football season it arranged for buses for out-of-town games. Last October it promoted a clean-up campaign in preparation for our school evaluation in November. It arranged for a sock hop after the Ouachita game, the first Homecoming Dance in November, and the second Knights' Ball, on the night of February 23, 1961.

Three officers, Jim Harper, Linda Cain, and Rocio Flores attended a Student Council Workshop at the University of Southwestern in Lafayette, Louisiana, August 6-10. On October 16-17 four delegates, and five visitors, accompanied by Mrs. DeMoss and Miss Wigley, went to the LASC Convention in Springhill.

As secretary of the Fourth District Association of Student Councils, the "Round Table" served as host for that convention held here on March 17.

Miss Wigley and Mrs. DeMoss have numerous conferences and spend long hours supervising the activities of the Student Council.

Council Sponsors Many Activities

Chapel services are held on Wednesday mornings before school in the auditorium. Jimmy Journey, Chaplain, is responsible for this activity.

Mrs. DeMoss and students enjoyed the State Banquet held at Springhill High School on the final night of the convention. About four hundred people were in attendance.

The Homecoming Dance at the Progressive Men's Club after the Bossier game was more enjoyable because the Knights had just won the District title.

There was excitement ahead for these students who rode the bus to West Monroe to see the determined Knights in a thrilling win.

Accolade Editorial Staff

After receiving instructions from Miss Smith, the Accolade advisor, members of the Accolade Editorial Staff "swung into action" each day during the fifth period (and many times after school).

Last June Alice Ragsdale attended the Leadership Conference at LSU to learn more about yearbook preparation. Janine DeSoto, Linda Hammett, Ann Laird, and Sydney Stubblefield attended the annual Louisiana Scholastic Press Association convention at LSU in November. Linda Hammett and Miss Smith visited the Taylor Publishing Company in Dallas last fall to discuss ideas for this edition.

The 1961 Accolade received a first place award from the Columbia Scholastic Press Association in New York on October 13, 1961.

Arranging picture schedules, drawing layouts and scaling pictures down to size consumed the time or organization editors, Barbara Snelson and Judy Smart.

Alice Ragsdale and Pat Attaway were in charge of the faculty, music, military and feature sections—which took much planning.

Linda Hammett, Editor, checked often on the yearbook dummy to see that pictures were taken on time and that deadlines were met.

Miss Willa Smith
Advisor

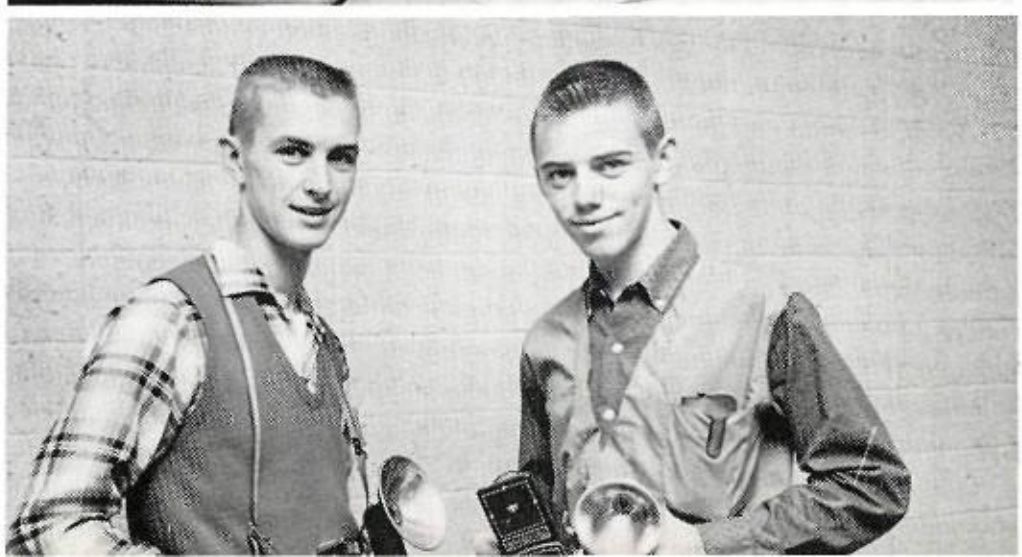
Presenting an accurate and complete record of all the Knights' athletic events required much reading, writing, research, and carefully made plans. Edwards Walker and Billy Laird, sports editors, shared the responsibility of that section.

The senior pages maintained the interest of Lauren Rees and Janine DeSoto. It was their duty to plan layouts to include all honors and club memberships that were claimed by the seniors. Their class section was the largest.

Linda Fairley and Ann Laird checked other yearbooks for ideas to do the junior class pages. They spent hours stamping pictures, alphabetizing names, and typing. Their work required careful checking on the spelling of names.

Correct identification of pictures required patience as was learned by Jimmy Journey and Sydney Stubblefield. These two, sophomore class editors, checked the agreement of the picture number and the number they had on the yearbook page.

Amusing and serious incidents happen daily in our school. It was the task of school photographers Eddie Sims and Randy Crow to record these memorable events in pictures for you to enjoy in this book.



Accolade Ad Staff

Assistant Manager Sue Robertson discusses the billing of a company with Business Manager Norma Jones.

Contacting business firms in Shreveport for the purpose of selling ads was the responsibility of the Accolade Ad Staff. These girls, advised by Mrs. Sarah Williams, sold ads to firms in our area to help pay for the publication of the yearbook.

To be a member of the staff, each girl must maintain a C+ average and sell $150 in ads. The girl who sells the most ads becomes Business Manager. Norma Jones was the recipient of that honor this year as she sold more than $1100 in ads.

Posters which read something like this, "Don't be a slow-poke, bring your money to order an Accolade next Thursday," reminded Woodlawners of each yearbook sale. Advertising for the three sales, conducting these sales and collecting the money from these sales were the first duties of the Accolade Circulation Staff, sponsored by Mrs. Jackie Barr. Their final duty (or pleasure) was distributing the completed book in May.

Juniors and seniors who have a high grade average and possess personal qualities of dependability and leadership are selected to work on this staff.

Janice, Carole, and Kathleen observe as Mrs. Barr added to get the final number of books sold.

Football Program Ad Staff

The ads you see in a football program did not just happen to be arranged that way. Hours of hard concentrated effort were required to contact local businesses to sell advertising space. Then hours more were required to plan the layouts for the pages.

Twenty-eight senior girls are responsible for making those programs available to you. Nomination for members were made by the 1960-61 staff and final approval was given by the faculty.

Each girl was required to sell $100 worth of advertising space to remain on the staff. The three top salesmen were named as managers.

Not only did the sale of these ads aid financially, but it gave valuable training through contacting officials in the business world. Selling the programs at all home games also gave an opportunity for the development of worthwhile character traits.

Red, white and blue decals seen on cars in the parking lot indicate that one of the Key Club's projects was really a great success.

The Key Clubbers also made a permanent contribution to our school by arranging to have an artist design and paint the Knights' head in the center of the floor in the gymnasium.

Club members aided the Cedar Grove Kiwanians with their pancake supper. And a needy family received a basket at Christmas from the club. This spring they helped with the March of Dimes drive. Members acted as ushers at the spring District Student Council meet at Woodlawn.

Mac Smith and Glen Gordon attended the La-Miss-Tenn District Board Meeting in Jackson, Mississippi, on January 20. Woodlawn's Key Club helped to serve as hosts at the District Convention in Biloxi, Mississippi, in March, 1962.

Mr. Gerald Furr, faculty advisor, is aided by Kiwanis Chairman Mr. Fred Lytle and Co-Chairman Mr. Chester Smith.

Junior Red Cross

During the Christmas season the Junior Red Cross asked students in the school to bring food for needy families. The members collected enough to fill fourteen boxes.

Displaying the mum corsages the local chapter sold for our first Homecoming are Karen Gray, Johnnie Pegues, Jan Hopkins, and Diane Stubblefield. One hundred ninety-eight corsages were sold.

Would you like an opportunity to serve the needy and lonely? Then you can have that opportunity if you become an active member of the Woodlawn Council of the American Red Cross. For this organization renders service to the school, community, and country by means of its various projects. The whole school is enrolled, but to be an active member you must pay dues and acquire a membership card.

The membership includes a representative and alternate selected from each home room.

Five officers attended the Louisiana Red Cross Convention held in the Washington Youree Hotel *in Shreveport November 1-3. Two officers were* chosen to attend the Bunkie Red Cross Encampment this past summer.

Wayne P. Hollingsworth
ADVISOR

"Accept Your Responsibility and Earn Your Right To Drive," was the theme of the eighth annual Teenage Safety Conference held at WHS on November 4 over which Sandra Patterson presided. It is through this and similar programs and campaigns that the Safety Council accomplishes its purpose—to promote safety in the school and community.

Representing Woodlawn at the State Safety Council Convention in Bunkie, Louisiana, August 8-11, were Sue Blankenship, Linda Bonds, Paul Clark, Patty Easter, Wayne Ford, Cheri Payton, and Rodney Runyan, who was elected state Vice President of Traffic Safety.

At school the Safety Council is responsible for giving each teacher information for fire drills. They make posters and give talks during assemblies to stress the importance of safety. Issuing car stickers to each person who drives a car to school is another phase of their work.

To improve library service at WHS, to stimulate reading interests, and to get to know fellow members socially are the purposes of the Library Assistants Club. Membership is limited to the student librarians, visual aid workers, and associate members.

On December 23, 1961, members of the club visited the Shriner's Hospital. They sang carols and gave the children books for the hospital library.

Last June Betty Sizemore and Celeste Prewitt attended the Leadership Conference at LSU to study processes in circulating library material and organizing library clubs.

Nancy, Lucille, Suzy and Pat shelve books that have been checked in.

Audio-Visual Aids Group

If you were amused in a class this year by recording and hearing your own voice on a tape recorder, then you should appreciate Mrs. Frisch and our audio-visual aids department for making that possible.

That recorder, as well as 16 millimeter projectors, film strip projectors and record players are made available to us to enrich our classes.

Twenty boys served as volunteer operators of the machines, working on a rotation basis. It was the duty of one girl, Mary Murphy, to keep a close check on the magazines.

Mr. Herrin, club sponsor shows the trophy the club won for being the outstanding senior club in Caddo Parish.

Wayne Rainer and Cynthia Arnold were chosen outstanding boy and girl junior leaders in Caddo Parish. They represented Caddo at the State Leadership Camp.

4-H Club

Keith Annison of the Woodlawn Club serves as President of the Caddo 4-H Executive Committee and Cynthia Arnold is Vice President.

Four-H work includes many phases as there are twenty-two different projects that can be pursued.

Each club member must enter a fair exhibit and enter a record book on Achievement Day. The club also arranges an exhibit during National 4-H Week.

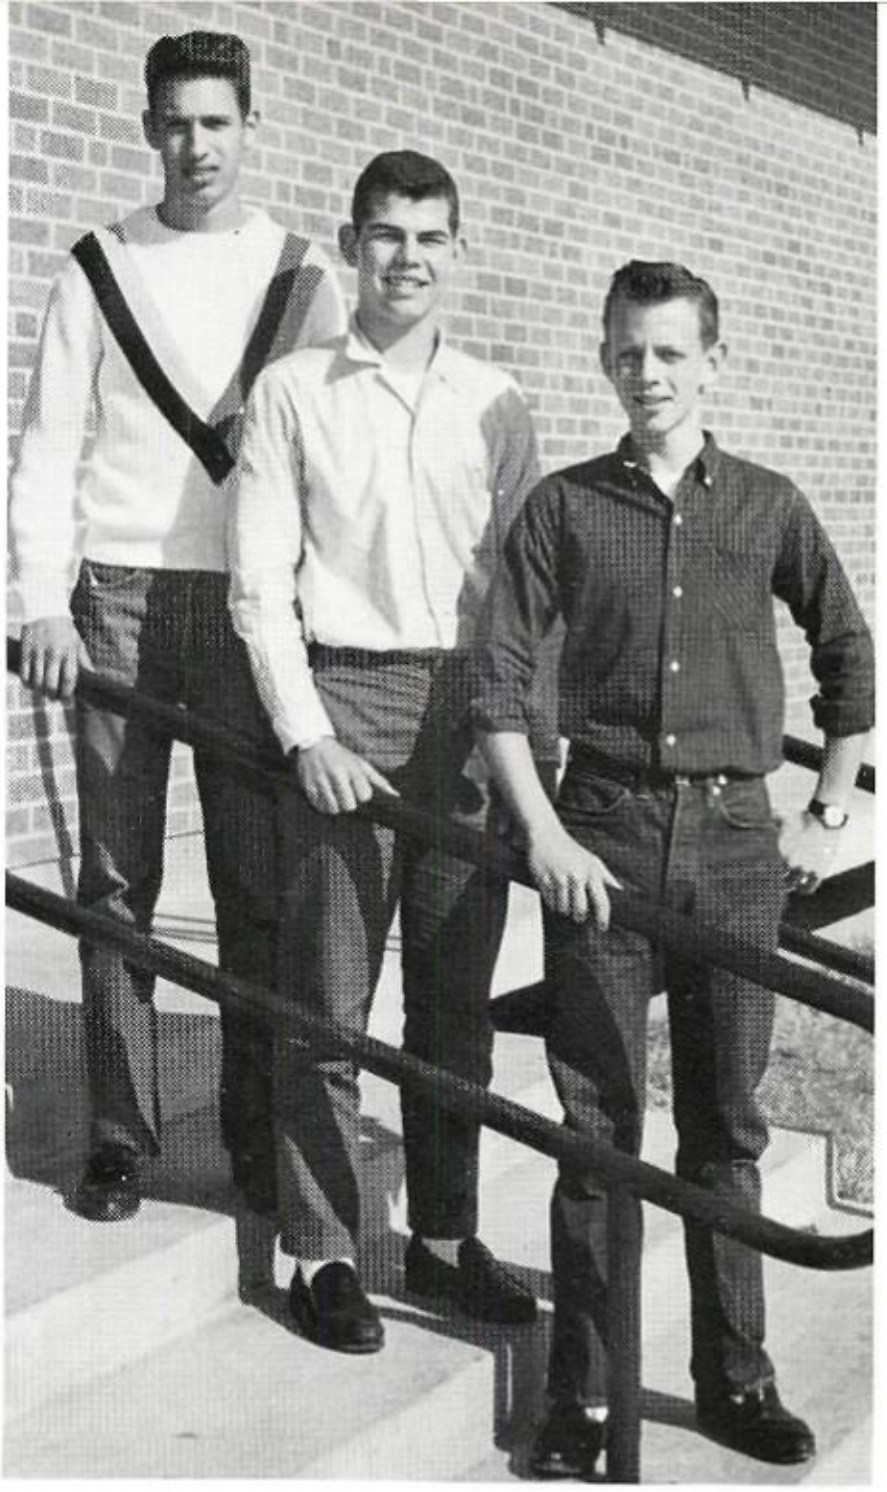
Keith Annison and Moss McCalister won first place on the state livestock judging team. Keith then won first place in beef judging at the International Livestock Exhibition at Chicago and received the awards he displays. He was the second Louisiana boy ever to win this award—the first winner was Keith's father, who won 20 years ago.



Rodney Bauman, Milton Williams, and Burton Long placed second in the state dairy judging. Burton represented Louisiana at the National Dairy Conference in Chicago.

Rosie Williams is getting last minute instructions from Mr. Long before entering the arena with her calf. She exhibited the Grand Champion animal at the Louisiana State Fair.

Jon Sutton, treasurer, began buying baby calves for his project of beef heifers and in three years of agriculture has accumulated a nice investment.

Billy Almand, reporter, has a total of sixteen grown cows and a registered Angus bull. Billy is a candidate for State Farmer.

Jerry Henderson, a first year student, has made a nice start in his agriculture work. He has the above heifer and a beef cow and calf.

FUTURE FARMERS OF AMERICA

THE NATIONAL ORGANIZATION FOR BOYS

STUDYING VOCATIONAL AGRICULTURE

At Woodlawn, vocational agriculture not only helps boys become established in farming, but it seeks to prepare boys for careers in agriculture. Each year there are 15,000 opportunities for college graduates with agricultural degrees and only about 7,000 graduates to meet this need.

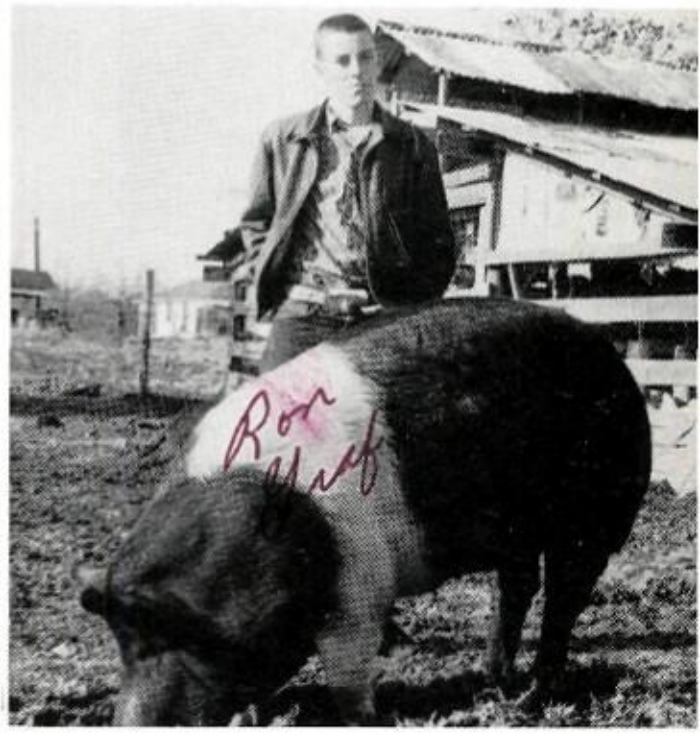
Future Farmers in the FFA are taught to practice brotherhood and to fulfill responsibilities by aiding local people. This is done by assisting with livestock, branding, dehorning, and vaccinating.

The chapter held a turkey shoot in November and each winner got a dressed turkey.

Robert Fincher, president, also serves as president of the FFA Federation which includes WHS, Fair Park and North Caddo

Several boys and the advisor attended the State Convention in Bunkie and two members went to Kansas City to the National FFA Convention.

Burton Long, a first year student, now owns four cows and six heifers and is making plans to increase the scope of his program.



Moss McCalister, an enthusiastic swine farmer, now owns one boar, six sows and gilts and ten pigs. Moss also owns half interest in a flock of four hundred laying hens.

Future Homemakers of America

Many young homemakers of tomorrow are being trained at Woodlawn. Mrs. Virginia King, Mrs. Mary Alice Erskine, and Mrs. Gammill, club mother, direct the training through classes and the FHA. This challenges individuals to improve personal, family, and community living.

Children in a local hospital were made happier at Christmas because these girls gave them toys.

During the year members attended the district and parish meetings. Fannie May, President, was elected Parliamentarian for the Caddo Parish FHA.

The highlight of the year's program was the annual Mother-Daughter Banquet.

Cheryl Walton served punch to fellow members of the FHA at the Christmas party.

Socii Romani

Studying Latin doesn't mean all verbs and grammar. Socii Romani offers added interest by promoting friendship among those who wish to join. It also promotes an understanding of the classics so that one might enjoy more fully the background of our culture.

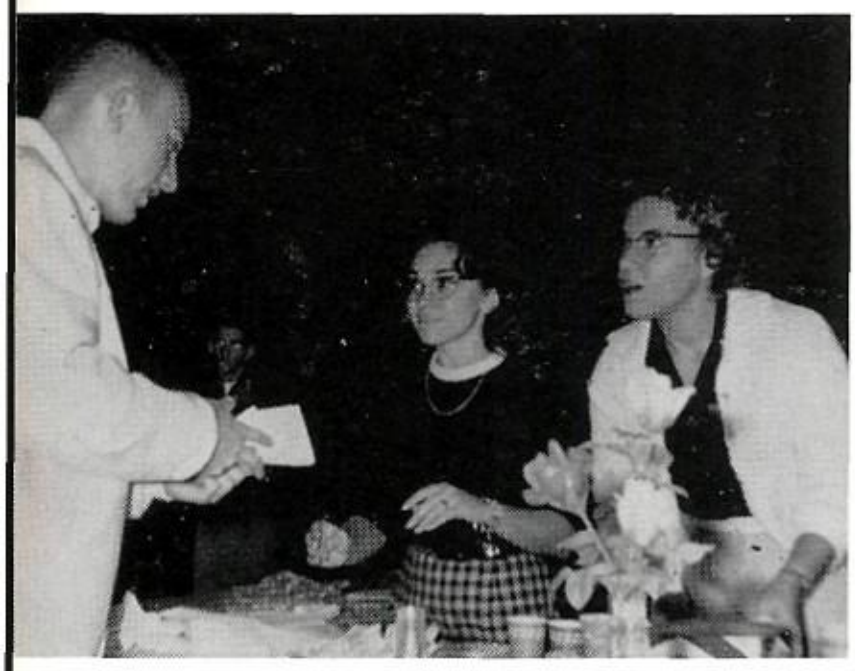
Les Amis Francais

"Parlez-vous—what tense should you use, Miss Moore?" This question might easily be heard as a member of the French Club struggles to write his pen pal. This correspondence between our students and French-speaking students of other lands helps to promote a better understanding between peoples of the world.

Les Amis Francais, directed by Miss Moore was organized to further an interest in the French people, their language and their culture. To be a member, one must be taking or have taken French.

The club members sponsored a booth and sold coffee and doughnuts at the NDCC Carnival.



Glenda Young and Kathryn Tucker sell doughnuts to Johnny Rhea.

Industrial Arts Club

To create an interest in industry and to prepare students to live a more productive life is the goal of the Industrial Arts Club.

Members take part in many activities in an effort to attain that goal. They participated in the State Industrial Arts Convention held in Shreveport this year. They make posters, maps, charts and do special lettering for teachers and school personnel.

Students also design automobiles. First a drawing is made, then a clay model, and then the car is made to scale from wood.

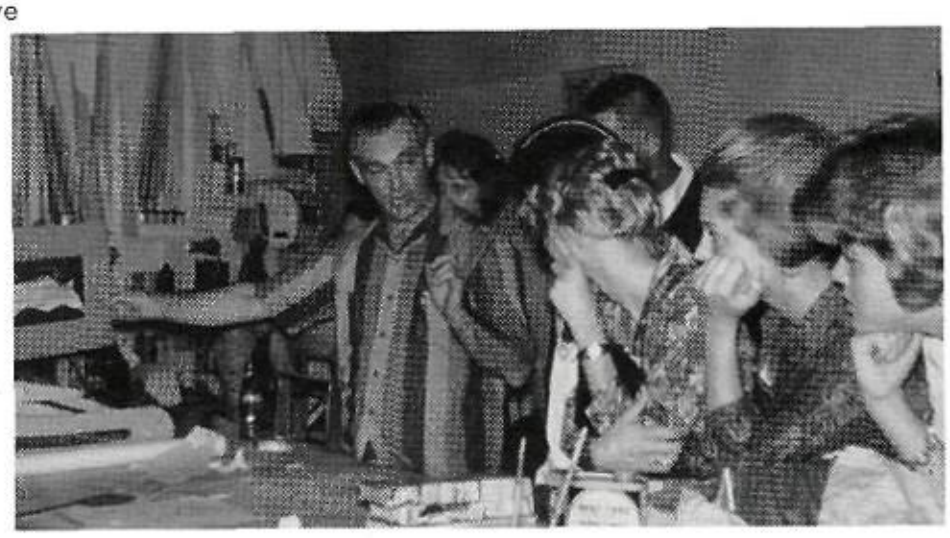
Art Club

Field trips to art studios, the State Museum, the Centenary art department and Hodges Garden were the main activities of the Art Club, sponsored by Miss Tommie Blackbourne.

At various times during the year members made displays for the library and cafeteria. During the Christmas season, they made candles and other decorations. An art show was held in the spring to display the artistic work of club members.



Members listen intently to the guide at the Louisiana Art Gallery.

Fort Humbug, the Exhibit Building at the State Fairgrounds, and the Mansfield Museum housing relics of the Civil War, were sites of field trips in recent months made by members of the Zachary History Club. Miss Yvonne Coffey and club members met monthly to further their interest in local and state history.

The Zachary Club is considerably larger and has been more active in its second year.

Social study students, former and present, maintaining a C average are eligible to join. This organization was named for Zachary Taylor, the only U. S. President from Louisiana.

Carolyn,

There is no possible way in this world for anyone to say how much you have meant to Woodlawn and how much you have helped it. Carolyn, you have boasted the school spirit when it was lacking and contributed so very much to various activities it would take over a page just to list them alone. You are one-girl-in-a-billion-million and the sweetest at Woodlawn. Keep your plus-plus-personality and that genuine

Always,
Dianne Bates

Carolyn,

Dear Carolyn,

Going to school with you these past two years has truly been a pleasure to me. The senior years in high school seem to always bring the departure of close friends such as you and I have been, but nothing can step between the memories which friends make together. I hope I have measured up in the qualities of being a close friend, you certainly have to me. There is no need for me to wish you good luck in your future plans, because someone who possesses such talents as you has been struck would surely not fail. I know you will enjoy it's a fine school. Superior schools are for superior people and you sure fill this category. May our friendship be lasting.

Dear Carolyn -
This is for a special person whose friendship I dearly treasure.
Carolyn - I once told you that your beauty came from deep down inside and shone without - I still mean that more than ever.
Always keep your ability to laugh for it enhances your lovely personality.
Please! Let's never lose touch!
God Bless you always.
Frances Lowe

Dear Carolyn,
I feel most fortunate to have known you these many years. We have had some wonderful experiences and many fond memories. It's hard to think of how to say everything you want to say so I'll just say you've been a wonderful friend and I'm looking forward to many more years of your friendship.
I wish you great success in your career in art, you don't need luck, but good luck anyway. God Bless You.
Always friends, Daniel (McCallum)

Dear Carolyn
I can't think of very much to say. I think you are one of the sweetest girls I know. Your leadership has made your handicap tops in my book.
I know you will have a great future, but I want to wish you best of luck and happiness.
God Be with you.
In Christ
Charles Harvey

Carolyn,
You are a very sweet and fun loving girl. I hope that you will always remember me as a friend.
Marjorie Downey

Carolyn,
It's been a real pleasure knowing you all these years. I wish you Merry Christmas, a wonderful New Year and a wonderful future.
Sincerely yours,
Cindy McGraw

Carolyn,
It's been great, knowing
you these past few years.
You have all the likable
traits a girl could have.
You are witty, smart, and have
a wonderful personality. I
think that you will succeed
in all that you try to do.
May God Bless You, Always,
Lewis Owen

Carolyn,

Words can never express how I value your friendship. It's been so much fun this year at the lunch table, telling all those jokes that Frances, "doesn't get!" May our friendship always continue and you have the best of luck always.

Luff ya.'
Linda Williams

Carolyn,

I reckon you're just about as sweet as they come. Besides that you're even cute. Stay sweet and you'll be O.K.

Love ya.
George Basinger

- Carolyn -

Man, what fun we have had in gym. I'll never forget the green Color. We Couldn't seem to get rid of. I hope you get you know who? Be sweet and remember me always.

Your friend
Kay Stone

Carolyn,
It has been a ball being in Am. History with you this year. I wish you all the luck in the future,

Dear Carolyn,

I guess the time always comes sooner or later, but it's much, much too soon. This is really the first year I've known you, but I've grown to love and admire you among the greatest of people. You are one in a million, believe me, and a friend I value deeply. I will always remember the good times, although crazy, that we have spent together; the rumpus in the snow, the rustles on the bed, "mouse" of slumber parties, after school gab sessions, gym parties, real live slumber parties, and last of all, times like today, which will remain in my heart forever. You're a wonderful person, Carolyn, with a fabulous future. I would say "good luck with Johnny" but I won't, because he may see it! God Bless you, Carolyn. I love ya'!

Love,

Sharon Allen

Dear Carolyn,

Well, we've finally made it, believe it or not. I must tell you something. Last year when I had Plane Geometry with you, I didn't like you very much. It wasn't because I didn't like <u>you</u>; it was just that I thought you didn't like me. I didn't really know you. But now, since I've worked with you in Student Council and American History, I have learned that you are truly the sweetest and kindest person I know. You have a personality that is to be envied by everyone you come in contact with. Each day you are absent from Am. History ~~this is~~ it is like a ray of sunshine gone (corny, isn't it?) But true. Please remember all the fun & good times we've had. May God bless and keep you always. (you'll need it!)

Love always,
Alice Anne Ragsdale

Hello woman,
It's been nice knowing you.
Jimmy (KNIEPP)

P.S. I have enjoyed knowing you this past year. Best of (I'm sorry) Luck
Always

Carolyn,
It has been a wonderful knowing you this year. I know you'll be very successful in later life as you have certainly been at WHS. Lots of luck always and always remember Henry Humphreler

CAROLYN JOHNSON

After signing all those pictures I'm tired, so I will cut it short. Best wishes to a real sweet girl.

Jack Jones, Esq.

Carolyn,

How can I begin to tell you how great I think you are, and how much I have enjoyed knowing you. You have been one of my very best friends, and I'll remember you forever and ever. Woodlawn won't be the same without you (Jimmy, quit making that face!) Please think of us ones in awhile while you're at Rice. Good luck, and best wishes always and forever. I hope life gives you all you deserve, and that's the best, the very best. May God bless you always ——
